

# pieces

I watched her drop the mirror  
saw her face adopt the fear  
that she would now be destined  
to bad luck for seven years

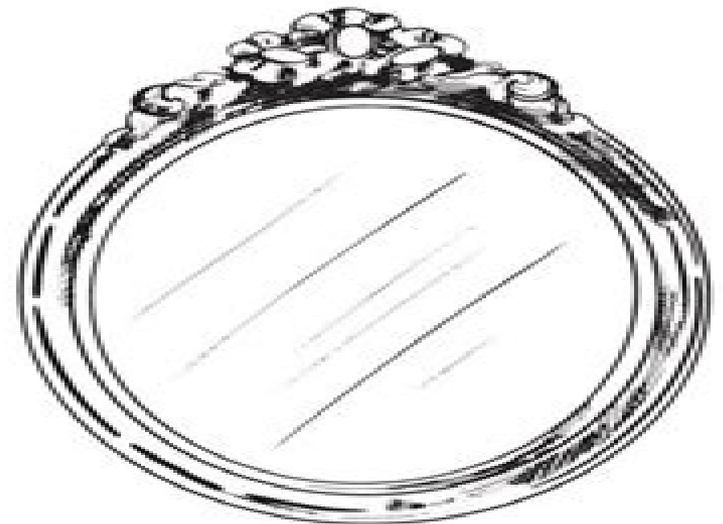

but she looked at the pieces  
there were hundreds, maybe more  
and she noticed how they caught the light  
in ways they'd not before

the light was bouncing everywhere  
all spirited and bright  
a hundred little mirrors  
bringing all that light to life

so she picked up all the pieces  
whilst she still had every chance  
and she turned her bad luck  
into opportunities to dance

and if you ever watched her  
you would notice how she smiled  
and how she moved and shimmered  
like her soul had come alive

and if you didn't know her secret  
you would not consider  
that the glitterball she danced around  
was once a broken mirror
