people who are dead in their trespasses and sins a new awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God s Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls The Trinity and the Baptism Riaan Engelbrecht,2023-01-18 This volume of work explores and unravels the mystery of the Trinity and the debates surrounding the baptism in Spirit and water There are doctrines that have been misunderstood while there are doctrines that are blatantly deceiving and confusing Such doctrines apply to both the Trinity and the baptisms As a disciple it is of great importance to understand these concepts and to abide by the truth Fire on the Mountain: Addressing Idolatry Riaan Engelbrecht,2023-08-21 There is a fire on the mountain It is a wildfire of apostasy tearing through the church fuelled by idolatry It is because of the winds of false doctrine that this wildfire keeps spreading and it has been causing massive damage for hundreds of years to the church Yet the fire is not being checked addressed or effectively extinguished by believers The fire of apostasy has been receiving plenty of fuel for the last 1800 or so years to be a raging inferno Yes there is a profane fire burning on the altars build on the spiritual high places An increasing level of idolatry and spiritual apostasy plagues the world and the church The fire of idolatry has swept through churches for a long time consuming and destroying It is the profane fire An unholy fire Who shall contain the fire It is time for the church to earnestly address idolatry in her midst for idolatry is an abomination in the eyes of God God alone shall be worshipped He should be our highest devotion and our heart s desire above all Idolatry is not a trivial matter as Israel discovered God is calling for concerted and real action from the church to address idolatry for our God is a jealous God and He is an all consuming fire He must be our First Love nothing else and certainly no one else including the self Strengthened in the Presence of El Gibbor Riaan Engelbrecht,2024-02-20 If we look at the life of Moses we find numerous spiritual lessons that will benefit any disciple of Jesus Is his life important Most assuredly as this volume of work explores He was a murderer yet God used him mightily He was almost killed as an infant yet survived to do great things for God leading a life of worth and value for 120 years He survived the harshness of two wilderness journeys totalling 80 years and rightly takes his place even though human as one of the great heroes of the Bible Moses as a prophet played a vital role in pointing towards the life and the ministry of Jesus Moses is of great importance in the Bible for he is recognised as a deliverer Exodus 3 7 10 covenant mediator Exodus 34 27 priest Psalm 99 6 and ruler Exodus 2 13 14 Acts 7 27 Moses s larger than life status as prophet was designed by God as a

template from which all other prophets would be measured Enjoy this journey as covered in volumes one and two to know more about Moses and how we can spiritually grow on our journey with God Early Western Travels, 1748-1846: Part I-IV of James's Account of S.
