(NET) Thomas Nelson,2023-10-31 Be anchored in the faith once for all entrusted to the saints Jude v 3 with timeless wisdom shared from church history The Christian faith is founded upon unchanging timeless truth From the days of the early church until the day of Christ s return all of Christianity proclaims that Jesus Christ is Lord to the glory of God the Father Philippians 2 11 This is our unchanging and unceasing confession upon which all our hope and all our joy rests The Timeless Truths Bible will encourage you through the always timely wisdom of those who came before us Devotional notes and commentary from trusted theologians and pastors from the second century up to the twentieth will stir your affections The ancient creeds and confessions of the faith will grow your understanding of what we believe and have always believed And artwork created throughout the history of Christianity will deepen your worship of the one we call Lord Features include The complete text of Scripture in the New English Translation Margin notes featuring devotional and theological commentary from notable figures throughout church history including Irenaeus Justin Martyr Augustine Martin Luther Ulrich Zwingli Origen John Wesley Charles Spurgeon John Bunyan and John Calvin Forty six full page biographies of church leaders Text from some of the creeds and confessions of the Christian faith that have shaped our beliefs for generations including The Apostles Creed The Nicene Creed The Chalcedonian Definition The Athanasian Creed The Augsburg Confession The Belgic Confession The Westminster Catechism The Lausanne Covenant Book introductions for every book of the Bible Line matched single column typesetting Clear and readable 9 point NET Comfort Print *Samara* Godwin Djietror,2021-11-03 This is the story of a Christian family whose life circumstances and experiences illustrate the will of God and the power of prayer Walter Robertson affectionately called Walt and his wife Rebecca lived in Joshland a prairie community Walt strove to live his life as a devout Christian but on occasion he doubted the existence of God backslid and questioned God s attributes Rebecca on the other hand demonstrated unwavering faith in God In 1945 a tornado tore down their riverfront home and carried off their baby girl Samara A woman found the infant and decided to keep it for herself Growing up as Margaret and fatherless Samara was told that her daddy had fallen off his sailboat in the Gulf of Mexico and drowned In a miraculous twist of events Rebecca and Walt ended up as the first clients in Margaret s retired couples housing facility Eight months after moving in Rebecca was seen in the ER for a voiding problem A few days later she went with Walt to see her primary care physician to discuss the results of an investigative lab work The doctor broke bad news She had failing kidneys and required immediate transplant She would be placed on the waiting list for a donor The couple shared the unpleasant news with Margaret and asked for her support in prayers Rebecca knew what she faced too little time to wait for her turn on the deceased donor waiting list Amid the seeming hopelessness Margaret stunned the couple with her offer to donate a kidney She said a prayer of gratitude in her heart for the privilege to help little knowing that she was in fact thanking God for using her to save the life of her biological mother **Timeless Truths** ,2017 Time

and Eternity Brian Leftow,2018-09-05 Brian Leftow makes an important contribution to the longstanding debate among philosophers and theologians about the nature of God's eternity The author develops a powerful and original defense of the notion that God is eternal in that he exists timelessly that is that though God exists he does not exist at any time Leftow defends the claim that a timeless God can be an object of human experience and he attempts to delineate the extent of such a God's omniscience Finally the author pays special attention to the relation between the claim that God is timeless and the claim that God is metaphysically simple

**The Neo-Kantian Reader** Sebastian Luft,2024-11-01 The latter half of the nineteenth and the early part of the twentieth century witnessed a remarkable resurgence of interest in Kant's philosophy in Continental Europe the effects of which are still being felt today The Neo Kantian Reader is the first anthology to collect the most important primary sources in Neo Kantian philosophy with many being published here in English for the first time It includes extracts on a rich and diverse number of subjects including logic epistemology metaphysics philosophy of science and transcendental idealism Sebastian Luft together with other scholars provides clear introductions to each of the following sections to the authors as well as to each text placing them in historical and philosophical context the beginnings of Neo Kantianism including the work of Hermann von Helmholtz Otto Liebman Friedrich Lange and Hermann Lotze the Marburg School including Hermann Cohen Paul Natorp and Ernst Cassirer the Southwest School including Wilhelm Windelband Heinrich Rickert Emil Lask and Hans Vaihinger responses and critiques including Moritz Schlick Edmund Husserl Rudolf Carnap and the Davos dispute between Martin Heidegger and Ernst Cassirer The Neo Kantian Reader is essential reading for all students of Kant nineteenth and twentieth century philosophy history and philosophy of science and phenomenology as well as to those studying important philosophical movements such as logical positivism and analytic philosophy and its history

*Eternal God/saving Time* George Pattison,2015 Starting from the assumption that time is the horizon of the meaning of Being Heidegger *Eternal God Saving Time* attempts to discover what the central religious idea of eternity or of God as the Eternal might mean today Negotiating ideas of divine timelessness and sempiternity everlastingness as well as the attempts of some philosophers to develop the idea of a temporal God Professor George Pattison surveys a range of positions from analytic philosophy and from the continental tradition from Spinoza through Hegel to the present Intellectual and cultural forces have tended to separate time and eternity and both philosophical and theological examples of this tendency are examined Nevertheless starting from the experience of life in time some modern thinkers have developed a new approach to the Eternal as what grounds or gives time This leads through ideas of novelty utopia hope promise and call to the projection of a creative and transformative memory remembering the future that affirms human solidarity and mutual responsibility Even if this cannot be made good in terms of knowledge it offers a basis for hope prayer and commitment and these options are explored through a range of Christian Jewish Greek and secular thinkers This development re envisages the idea of redemption away from the Augustinian view that time is what we need to be rescued from and towards the idea that

time itself might save us from all that is destructive and tyrannical in time's rule over human life *The Gospel Of Grace* Dr. Mark Wickstrom, 2012-01-23 The Gospel of Grace This book is about the process of deciding how we determine our use of any particular biblical text In essence we are each other the architect of our own biblical house Let's take an honest look at how we have designed our individual house In this inspired and engaging work Mark Wickstrom shows how conflicting religious opinions derive not from contradictions in the Bible but from personal agendas that contradict the gospel of grace He identifies the timeless truths cultural norms personal opinions and random texts that suit personal agendas and may create divisions among the faithful Read the Gospel of Grace to discover how to create deeper understanding and unity in faith communities large and small
