The Times and Seasons ,1845 **Times and Seasons** ,1845 *Understanding Times And Seasons In God's Calendar*
Apostle Frequency Revelator,2019-11-16 Have you ever wondered why a multitude of people claim to have prayed fasted and done everything they know best yet their situations and circumstances haven't changed Have you ever given yourself a moment to think about dozens of believers who are entangled in a morass of debilitating poverty lack and limitation yet they claim to believe God Have you ever wondered why some people have even gone to the extent of being discouraged in their Christian walk because their prayers were not answered Have you ever wondered why certain things are taking so long to materialise in your life The answer to all the above scenarios is not in lack of power wisdom or prayer but it is simply an issue of lack of understanding of times and seasons in God In this publication Apostle Frequency Revelator cracks the mystery code and unveils the divine truth that many of God's people pray fast cry sow seeds confess scriptures and still experience frustration in their finances health jobs marriages and businesses because of lack of God's timing Many believers are agonised like this because they haven't learnt how to properly and correctly discern the times and seasons Some go to the extent of rushing ahead of their season without discerning their timing hence that they end up defeated depleted weary and distressed Demystifying the common myths of God's timing Apostle Frequency Revelator reveals that the most vital and crucial matters that you must prioritise in the kingdom of God is how to understand times and seasons in God's calendar Understanding times and seasons as expounded in this book will help you get prophetic direction and also prevent you from making wrong turns and unwise decisions in your life If you understand the season you will know if it is the right time for you to make a move on a particular matter or not If you understand the times and seasons of God you will be rightly positioned in the spirit realm and attuned to the frequency of God such that you will know when it's the right time for you to move to another city or switch to a new job or start a church Because you are attuned to the spirit realm and aligned to God's purpose you will see all the right doors opening for you and everything falling into place according to his plan Just like the sons of Issachar who had an acute understanding of the times and knew exactly what Israel ought to do at a time it is very important that you understand what season you are in order for you to enter into and fulfil your due season In this publication Apostle Frequency Revelator contends that just like there are natural seasons on the earth there are also spiritual seasons He therefore unveils the secrets of the rotational prophetic timeline of times and seasons which is a key to understanding where you are and how to number your days The apostle further explores the divine truth that time is not one of the characteristics of God He contends that God is not defined by time because He lives functions and operates in the eternal realm that is outside our time dimension Time is not an absolute because it only exists when its parameters are defined by absolutes God set the earth in time while man was created from the eternal realm Although man lives on earth he doesn't operate according to earthly time because he was created in the eternal realm which falls outside the scope or domain of time hence man was

never designed to function according to earthly time Times and Seasons James Langston,2018-03-18 The basic argument for this book is that God has appointed fixed laws for the well being of man and has given him a consciousness of another life therefore it is to man s wisdom and happiness to obey these laws consoling himself with the fact of their immutability and benevolence Understanding your times and seasons will help prevent you from making a lot of mistakes in the future It will also help prevent you from making wrong turns and unwise decisions in your life Some people run ahead of their season not discerning the timing of a thing then they end up defeated depleted weary and sore distressed There is a set time and a set season for everything that the Lord has in store for you in life Look at Psalms 102 13 Ecclesiastes 3 1 17 Psalms 105 19 20 and also Galatians 4 1 2 **Times and seasons, sermons** James Morgan Gibbon,1903 *Times and Seasons* Ron McKenzie,2012 Many Christians believe that we are getting close to the second coming of Jesus and that that the end of the world is near They are right to think that we are getting close to a change of season but because they do not understand the times and seasons they are looking for the wrong events The problem is that popular teaching about the last days a seven year tribulation a rapture and millennium has led to confusion about times and season The timetables produced by the end time teachers have been wrong again and again This book takes a different approach It begins with the ministry of Jesus and the sending of the Holy Spirit and ends with the glory of the Kingdom of God The key seasons and the epochal events that mark the change from each season to the next are clearly described The key themes covered in the book are God is not in a hurry but will take as long as he needs to establish the glory of his Kingdom We are not as close to the end of the world as many Christians believe Jesus death resurrection and ascension completed his work on earth He has accomplished everything necessary for the establishment of his kingdom Jesus sent the Holy Spirit to establish his Kingdom The Holy Spirit is the Kingdom Builder During the Times of the Gentiles the Holy Spirit has been constrained The Times of the Gentiles are coming to an end and a new season is close The transition to the next season will be a Time of Distress as human political power rises to a crescendo The next big event is the Fullness of Israel The Jewish people will come to salvation during a time of trouble when the Holy Spirit opens their eyes to understand that Jesus is their messiah The Fullness of Israel brings great blessing to the world The gospel will advance with great freedom and power The Holy Spirit will be freed to bring in the Kingdom of God Human governments and empires will collapse and fade away The Kingdom of God is established through the suffering and service of the church God may enjoy the fullness of his kingdom for a very long season Billions of people will come to faith in Jesus Jesus appears when God s purposes on earth are complete and the full number has come in to the Kingdom The people who have learned to serve Jesus will work with God as he pushes out to fill the entire universe with his wonderful worlds and kingdoms *Times and Seasons* , Giles gift to the church is his ability to link how church buildings look and **Times and Seasons** ,1839 Times and Seasons Uboho Basse,2022-06-01 In her fourth collection of poems Uboho turns her attention to the Times and Seasons of our existence the inescapable transitions between our experiences

Sometimes people will step into a scene of your life and think they know the whole story but the scene is not the entire story The present scene is nothing but a phase you pass through Don t stop the story just because you don t like the scene It may be just a chapter of your book It is not your destination While grappling with the desire to find meaning in life s journey we find the truth in the book of Ecclesiastes To everything there is a season and a time for every purpose under heaven God has enacted certain eternal principles regarding time In congruence with nature we all experience the four seasons of Summer winter autumn and spring In this book however the times are represented as waiting wilderness waring and winning seasons Times and Seasons is written to remind you that your dreams praise hope faith and love can carry you through every phase every season of your life You hurt and you heal you build and release and it s all part of the same process it s life Whether you are in a season of stagnation or expansion each season is a signal that you re not stuck And even though you ll lose some things like the trees lose their leaves in fall you re strong enough to keep going long after you think you can t Our individual paths are unique and when you understand time and season you will envy no one If you want to know how your present season is evolving or why the last one had to end or when the next one is coming read these poems Let them ground you in the truth that every single shifting season brings with it new life another chance and an experience you are here in the world for
