The Vedic Core of Human History M. K. Agarwal,2013-12 The origin of world civilization can be traced to the Indus Valley cradle where brilliant and original thinkers made groundbreaking discoveries The history of these discoveries is recorded in the vast Sanskrit literature In this study author M K Agarwal explores the cultural and historical significance of the region He explores Indus Valley culture which encouraged creative thought as opposed to the Abrahamic faiths which herded followers into dogmatic thinking He holds that these religions prospered because of their unfettered hatred of the Vedic Hindu Buddhist peoples who were demonized as pagans to be murdered tortured raped enslaved and robbed He also considers the achievements of that culture such as the creation of the most affluent most scientifically advanced and most spiritual of all societies with archeological moorings that can be traced back to 8000 BC No other region can even come close to transforming people and culture like the Indus Valley but the world s Vedic roots have been ignored shunned and covered up Uncover the history that has been lost and develop a deeper appreciation for the true cradle of human civilization with
