

at least I have met with a True Broad Bottom
and flesh no Deception ... The wonder of Broad Bottoms
was but bred in this Country

our love of your Bottoms - we Long to see
it - we write to you about it -

tho' sure a Pair were never seen
so justly form'd to meet by Nature.

Charming Indeed, oh I am so puffed
the Family is not Extinct

LOVE at FIRST SIGHT - or A PAIR of HOTTENTOTS -
with an Addition to the Broad Bottom Family a *very young* one

Venus Hottentot:

The Hottentot Venus Rachel Holmes, 2016-05-19 The acclaimed biography of Sarah Baartman once a slave and later a showgirl A significant and timely book Holmes has produced a laceratingly powerful story Frances Wilson Literary Review Impeccable In telling her extraordinary story Holmes s fascinating book illuminates the forces which dominated her age and resound in our own Sunday Telegraph In 1810 the slave turned showgirl Sarah Baartman London s most famous curiosity became its legal cause célèbre Famed for her exquisite physique in particular her shapely bottom she was stared at stripped pinched painted worshipped and ridiculed This talented tragic young South African woman became a symbol of exploitation colonialism and defiance In this scintillating and vividly written book Rachel Holmes traces the full arc of Baartman s extraordinary life for the first time **Black Venus 2010** Deborah Willis, 2010-01-08 Analyzing contemporaneous and contemporary works that re imagine the Hottentot Venus *Sara Baartman and the Hottentot Venus* Clifton Crais, Pamela Scully, 2010-12-05 Displayed on European stages from 1810 to 1815 as the Hottentot Venus Sara Baartman was one of the most famous women of her day and also one of the least known But who was Sara Baartman Who was the woman who became the Hottentot Venus This book tells the entwined histories of an illusive life and a famous icon **Hottentot Venus** Barbara Chase-Riboud, 2007-12-18 It is Paris 1815 An extraordinarily shaped South African girl known as the Hottentot Venus dressed only in feathers and beads swings from a crystal chandelier in the duchess of Berry s ballroom Below her the audience shouts insults and pornographic obscenities Among these spectators is Napoleon s physician and the most famous naturalist in Europe the Baron George Cuvier whose encounter with her will inspire a theory of race that will change European science forever Evoking the grand tradition of such monster tales as Frankenstein and The Hunchback of Notre Dame Barbara Chase Riboud prize winning author of the classic *Sally Hemings* again gives voice to an invisible of history In this powerful saga Sarah Baartman for more than 200 years known only as the mysterious lady in the glass cage comes vividly and unforgettably to life *African American Women's Rhetoric* Deborah F. Atwater, 2009-01-01 African American Women s Rhetoric is a comprehensive study of the ways in which African American women in politics education business and other social contexts have tried to persuade their audiences to value what they say and who they are Through detailed examinations of the rhetoric of a variety of women in important periods in American history Deborah Atwater reveals that African American women today who engage in speech in the public sphere such as Condoleezza Rice Barbara Jordan and others stem from an important lineage of active outspoken women *The Problem of the Color[blind]* Brandi Wilkins Catanese, 2012-10-16 Catanese s beautifully written and cogently argued book addresses one of the most persistent sociopolitical questions in contemporary culture She suggests that it is performance and the difference it makes that complicates the terms by which we can even understand multicultural and colorblind concepts A tremendously illuminating study that promises to break new ground in the fields of theatre and performance studies African American studies feminist

theory cultural studies and film and television studies Daphne Brooks Princeton University Adds immeasurably to the ways in which we can understand the contradictory aspects of racial discourse and performance as they have emerged during the last two decades An ambitious smart and fascinating book Jennifer DeVere Brody Duke University Are we a multicultural nation or a colorblind one The Problem of the Color blind examines this vexed question in American culture by focusing on black performance in theater film and television The practice of colorblind casting choosing actors without regard to race assumes a performing body that is somehow race neutral But where exactly is race neutrality located in the eyes of the spectator in the body of the performer in the medium of the performance In analyzing and theorizing such questions Brandi Wilkins Catanese explores a range of engaging and provocative subjects including the infamous debate between playwright August Wilson and drama critic Robert Brustein the film career of Denzel Washington Suzan Lori Parks s play Venus the phenomenon of postblackness as represented in the Studio Museum in Harlem s Freestyle exhibition the performer Ice Cube s transformation from icon of gangsta rap to family movie star and the controversial reality television series Black White Concluding that ideologies of transcendence are ahistorical and therefore unenforceable Catanese advances the concept of racial transgression a process of acknowledging rather than ignoring the racialized histories of performance as her chapters move between readings of dramatic texts films popular culture and debates in critical race theory and the culture wars

Suzan-Lori Parks Kevin J. Wetmore Jr, Alycia Smith-Howard, 2007-11-15 The first major study of this unique voice in contemporary drama Suzan Lori Parks confirmed herself as one of the most exciting and successful playwrights of her generation when winning the 2002 Pulitzer Prize making her the only African American woman to win the award Tragic Resistance Megan Shea, 2024-12-30 Tragic Resistance analyzes playwrights directors and performers who shatter gender norms to gain agency within the patriarchal institutions restricting them The artists in this book work against the tragic narratives that would otherwise constrict them the tragedy of Antigone unmade by Judith Malina the history of The Venus Hottentot pulled into the present in Suzan Lori Parks s Venus the narrative of the rape victim eschewed in Emma Sulkowicz s performances the story of brides jilted by the homophobic state government in the case of Annie Sprinkle and Beth Stephens the tragedy of Anna Nicole as told by Margaret Cho and the reclamation of the female body from traditional hip hop by Nicki Minaj All these performers and performances subvert traditional notions of gendered roles that people should or could hold This book examines the nature of these performances to interrogate how theatrical and performative resistance works and why performance might be a vehicle for altering patriarchal structures that withhold agency from women and trans genderqueer people **African Queen** Rachel Holmes, 2009-03-25 Saartjie Baartman was twenty one years old when she was taken from her native South Africa and shipped to London Within weeks the striking African beauty was the talk of the social season of 1810 hailed as the Hottentot Venus for her exquisite physique and suggestive semi nude dance As her fame spread to Paris Saartjie became a lightning rod for late Georgian and Napoleonic attitudes toward sex and race exploitation

and colonialism prurience and science In African Queen Rachel Holmes recounts the luminous heartbreaking story of one woman s journey from slavery to stardom Born into a herding tribe known as the Eastern Cape Khoisan Saartjie was barely out of her teens when she was orphaned and widowed by colonial war and forced aboard a ship bound for England A pair of clever unscrupulous showmen dressed her up in a body stocking with a suggestive fringe and put her on the London stage as a specimen of African beauty and sexuality The Hottentot Venus was an overnight sensation But celebrity brought unexpected consequences Abolitionists initiated a lawsuit to win Saartjie s freedom a case that electrified the English public In Paris a team of scientists subjected her to a humiliating public inspection as they probed the mystery of her sexual allure Stared at stripped pinched painted worshipped and ridiculed Saartjie came to symbolize the erotic obsession at the heart of colonialism But beneath the costumes and the glare of publicity this young Khoisan woman was a person who had been torn from her own culture and sacrificed to the whims of fashionable Europe Nearly two centuries after her death Saartjie made headlines once again when Nelson Mandela launched a campaign to have her remains returned to the land of her birth In this brilliant vividly written book Rachel Holmes traces the full arc of Saartjie s extraordinary story a story of race eros oppression and fame that resonates powerfully today **Josephine Baker's Cinematic Prism** Terri Simone

Francis,2021-01-19 A history and in depth analysis of the film career of the iconic Black star activist and French military intelligence agent Josephine Baker the first Black woman to star in a major motion picture was both liberated and delightfully undignified playfully vacillating between allure and colonialist stereotyping Nicknamed the Black Venus Black Pearl and Creole Goddess Baker blended the sensual and the comedic when taking 1920s Europe by storm Back home in the United States Baker s film career brought hope to the Black press that a new cinema centered on Black glamour would come to fruition In Josephine Baker s Cinematic Prism Terri Simone Francis examines how Baker fashioned her celebrity through cinematic reflexivity an authorial strategy in which she placed herself her persona and her character into visual dialogue Francis contends that though Baker was an African American actress who lived and worked in France exclusively with a white film company white costars white writers and white directors she holds monumental significance for African American cinema as the first truly global Black woman film star Francis also examines the double talk between Baker and her characters in *Le Pompier de Folies Berg re* *La Sir ne des Tropiques* *Zou Zou* *Princesse Tam Tam* and *The French Way* whose narratives seem to undermine the very stardom they offered In doing so Francis illuminates the most resonant links between emergent African American cinephilia the diverse opinions of Baker in the popular press and African Americans broader aspirations for progress toward racial equality Examining an unexplored aspect of Baker s career Josephine Baker s Cinematic Prism deepens the ongoing conversation about race gender and performance in the African diaspora *Sara Baartman and the Hottentot Venus* Clifton C.
