Workbook 2 Age 46 Maths Made Easy:

Astrology Math Made Easy Kevin B. Burk, 2005 Don't Panic This workbook is designed to help you to overcome your fears about astrology math If you didn't have at least some fears about learning how to calculate charts by hand you wouldn't be reading this book This is nothing to be ashamed of Unless you have kids in high school the last time you were presented with an algebra problem was probably when you were in high school And face it you probably hated it then too This will be much easier for you than it was in high school For one thing you're allowed and even expected to use a calculator here Math is in fact your friend Granted it's the kind of friend that wakes you up in the middle of the night raids your refrigerator and then passes out on your living room floor but it's still your friend And if you're serious about learning astrology you do have to be able to do the math or at the very least understand how the math is done This workbook will teach you all of the astrology math you will ever need
