WHAT IS WORKER PARTICIPATION?

Worker participation is engaging workers at all levels in establishing, implementing, evaluating, and improving safety and health in the workplace so that workers understand they are a valuable partner in making their workplace safer and are encouraged to communicate with management about hazards on the job.

Safe + Sound is a year-round campaign to encourage every workplace to have a safety and health program. This nationwide effort raises awareness of the value of workplace safety and health programs, which can improve businesses' safety and health performance, save money, and improve competitiveness.
