Simms,2018-01-18 Excerpt from *The Forayers Or the Raid of the Dog Days* Reinforcements from Europe were hardly to be
expected The British empire was in a state of exhaustion and the army of the invader was now half made up of the provincial
loyalists It is proposed in the present story to resume the historical narrative at this period making it subordinate however as
has been the plan of the preceding volumes to other events in which the writer will naturally seek to illustrate the social
condition of the country under the influence of those strifes and trials which give vivacity to ordinary circumstances and mark
with deeper hues and stronger colors and sterner tones the otherwise common progress of human hopes and fears passions
