Hagar's Hoard George Kibbe Turner, 1920 **The City of Fire** Grace Livingston Hill, 1922 Excerpt sinned against God and his better self and had begun his eternal life on earth It was too late ever to turn back All Hope abandon ye who enter here He had read it and defied it He had entered knowing what he was about and thinking poor fool that he was that he was doing a wise and noble thing for the sake of another Over in the little parsonage the white souled girl was walking in an earthly heaven Ah There was nothing nothing they had in common now any more She lived in the City of Hope and he in the City of Fire He flung out the book from him and dropped his face into his hands crying softly under his breath Oh Lynn Lynn Marilyn XV For one instant Lynn stood against the closed door flaming with anger her eyes flashing fire as they well knew how to flash at times Then suddenly her lips set close in a fine control the fire died out of her eyes she drew a deep breath and a quick whimsical smile lighted up her face which nevertheless did not look in the least like one subdued You know I could get very angry at that if I chose and we d have all kinds of a disagreeable time but I think it would be a little pleasanter for us both if you would cut that out don t you She said it in a cool little voice that sounded like one in entire command of the situation and Opal turned around and stared at her admiringly Then she laughed one of her wild silvery laughs that made them say she had a lute like voice and sauntered over toward her hostess You certainly are a queer girl she commented I suppose it would be better to be friends inasmuch as we re to be roommates Will you smoke with me and out from the depths of a beaded affair that was a part of her frock and yet looked more like a bag than a pocket she drew forth a gold cigarette case and held it out Marilyn controlled the growing contempt in her face and answered with spirit No I don t smoke And you won t smoke either not in here I m sorry to seem *Karl Marx's Theory of Revolution I* Hal Draper, 1977-01-01 Volume I of Hal Draper s definitive and masterful study of Marx s political thought which focuses on Marx s attitude toward democracy the state intellectuals as revolutionaries and much much more This series Karl Marx s Theory of Revolution represents an exhaustive and definitive treatment of Marx s political theory policy and practice Marx and Engels paid continuing attention to a host of problems of revolution in addition to constructing their grand theory All these political and social analyses are brought together in these volumes as the author draws not only on the original writings of Marx and Engels but also on the sources that they used in formulating their ideas and the many commentaries on their published work Draper s series is a massive and immensely valuable scholarly undertaking The bibliography alone will stand as a rich resource for years to come Yet despite the scholarly treatment the writing is direct forceful and unpedantic throughout and will appeal to the beginning
