The Four Faces of Leadership Edmund S. Gyandoh,2022-08-01
Leadership is a learning mind set which can be intentionally sharpened People believe in themselves but not everybody believes he she is a leader Often people convincingly conclude that they cannot ever lead others forgetting that leadership starts from the self You cannot successfully lead others if you are not successful leading yourself Self leadership is an unsung driver of any successful leadership in our society today The Four Faces of Leadership also seeks to unveil a different dimension of leadership by first appreciating the power of learning and championing our differences We are strong as a people because of our differences Great leaders understand how important it is for the other person to have an opinion a perspective or to even disagree Leadership is not about controlling but rather bringing the self people and systems under coordination As a Christian leader a business leader or whatever your disposition is in the world this leadership handbook would fundamentally show you how being a human being is not enough to lead others You will quickly learn how to intentionally couple your human abilities to the attitudes of a lion an ox and an eagle in order to relearn yourself and redefine your leadership for a better twenty first century experience

The Four Faces of Sales John Orvos,2013-09-27 Selling a service or a product is about closing deals As a sales professional if you dont close youre not making any money for yourself or your company But closing wont happen without an approach that makes you stand out from the thundering herd of competitionone that can make you more valuable in the eyes of the customer In The Four Faces of Sales author John Orvos presents a unique fresh and practical approach to sales excellence Drawn from his success as a sales leader in his own software company and from the years that followed Orvos identifies defines and provides numerous examples of the four key steps or faces of sales the sleuth doctor quarterback and hero His new sales approach facilitates success by building on whats known as personal value currency in the eyes of the customer This guide goes beyond giving you the typical what to do and how to do it advice The right skill used at the wrong time will not yield any better results than the wrong skill will The Four Faces of Sales explains what skills you need teaches you how to execute these skills and ensures you know precisely when to use them You can create a positive branded buying experience by taking the right actions at the right time
