The Four Loves

C. S. Lewis

The Four Loves:

Love's Sacred Order Erasmo Leiva-Merikakis,2000-01-01 When seeking to understand Christian love with some precision we inevitably come to speak about order in loving The title of this book Love s Sacred Order is intended to address the problem of the need for clarification in the matter of love above all the question of the relationship among the different kinds of love all of which make their legitimate claim on us A central concern of these reflections is the fact that we can do as much harm to ourselves by being too restrictive as by being too permissive in what we allow to come under the heading of Christian love The main intent of these meditations is to explore what the hierarchy might be that God established among all our human loves on the one hand and between these and the gratuitously revealed love of God that uncreated mystery kept secret for long ages to which we could not have had access if God himself had not taken the initiative to manifest it in Christ Jesus

The Four Loves C. S. Lewis,2020-06-03 One of the classic theological and philosophical pieces by author C S Lewis on the topic of love and sprituality

The Four Loves Clive Staples Lewis,1991 Analyzes the feelings and problems involved in different types of human love including familial affection friendship passion and charity

The Four Loves and the Latter-day Saints: The Nature of Love in All Facets of Our Lives Casey Paul Griffiths,2026-02-26 Author Casey Paul Griffiths I love you No phrase is filled with more anxiety vulnerability or longing as those three words Yet we are so in love with the idea of love that we don t often think carefully about what it really means In some languages there are different words to denote familial friendly charitable and romantic forms of love But in English there is only one phrase I love you It is used with our relatives friends lovers and sometimes even strangers Love is complicated but understanding it or at least attempting to is vital to our joy in this life Joseph Smith taught If men do not comprehend the character of God they do not comprehend themselves One of the simplest expressions of God s character is Jesus s declaration that He that loveth not knoweth not God for God is love 1 John 4 8 Building on the book by C S Lewis award winning author Casey Paul Griffiths joins the principles of love with the restored gospel of Jesus Christ to help illuminate the minds of Latter day Saints so that they may better understand themselves God and their relationships with God and others

Agape and the Four Loves with Nietzsche, Father, and Q David L. Goicoechea,2013-03-13 Goicoechea explains Nietzsche s thesis that the agapeic love of Jesus is humankind s highest affirmation even for sinners like the author s father Joe Goicoechea who lived it out existentially Already before the Q scholars Nietzsche saw this love as the essence of the Sermon on the Mount and based his philosophy upon it Throughout the Catholic tradition agape fulfilled the affection of Empedocles the eros of Plato the friendship of Aristotle and the agape of Plotinus While as Anders Nygren shows modernists protested such syntheses now postmodernists once again let agape and the four loves contribute to one another

The Four Loves Clive Staples Lewis,1960

Summary of C. S. Lewis' The Four Loves Everest Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We must be careful not to call Need love mere selfishness We do

violence to language and our understanding of it if we do not call Need love love We must also be cautious about calling Need love mere selfishness 2 The second thing we must consider is man s spiritual health which is exactly proportional to his love for God Man s love for God is always largely a Need love And when we face the paradox that man is most like God when he is most unlike God we see that they do not necessarily coincide 3 The fact that God is omnipotent sovereign and creative means that He is also blessed with happiness strength freedom and fertility These gifts do not have any necessary connection with our sanctification 4 The natural loves when they are in their best condition tend to claim a divine authority When they are what our grandfathers called pure or noble their voice sounds as if it were the will of God Himself

The life of ... Thomas N. Burke William John Fitzpatrick,1885 **Our True Beloved** Michael S. Whiting,2024-10-17 C S Lewis s masterpiece *The Four Loves* published in 1960 provided the world with a Christian exploration of four dimensions of human love extolling the divine blessings and warning of the idolatrous distortions in familial belonging storge friendship as a common quest philia romantic desire for personal union eros and concluding with the perfection of divine unconditional love agape Whiting uses the four loves as a framework to interpret the Christian love of God in historical movements across Catholic Orthodox Protestant and Pentecostal Charismatic churches He illuminates the often reactionary and competing tensions swinging between emphases on loving God in liturgical ritual and worship storge the active moral life philia personal spiritual experience eros and approaches of faith to suffering agape Synthesizing a panoramic view of Christian history with philosophy literature and biblical reflection Whiting shows how the love of God is diminished when the loves become fractured He advocates for an integrated holistic love of God that both avoids excesses and challenges the modern narrative of secular progress
