## **The King Of Pleasure:**

The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper Cedric Fisher,2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world's ills. Something is wrong with American society. A few years ago people were saying I don't know how it can get worse. It is worse and going to get worse. The reality and angst of watching it disintegrate have pressed many people into apathy. They have latched onto the belief that God will not permit them to suffer the consequences of the world's wicked rebellion. Instead, Christ will snatch them off the earth and out of danger during a split-second secret coming. There is an alternative to apathy and fantastical notions. It is the central focus of biblical eschatology: the superwhelming, gloriously astounding, megamiraculous return of the King of kings.

The King Of The Mountains Edmond About,2023-10-01 In *The King of the Mountains*, an enrapturing novel written by Edmond About, readers embark on a gripping journey through the majestic peaks of the Alps where they are introduced to a cast of intriguing characters and witness the clash of traditionalism and modernity in a remote village. Set in the mid-19th century, the story revolves around the life of a charismatic and enigmatic mountaineer named Matteo Falcone. Known as the King of the Mountains, Matteo embodies the rugged spirit and independence of the Alpine people who live in harmony with nature and their ancestral customs. The villagers, in awe of his strength and wisdom, regard him as their leader and protector. Through the eyes of various characters, including a young engineer named Arthur, a headstrong village girl named Angele, and the mysterious Matteo himself, the author skillfully explores themes of identity, love, and the inevitable clash between tradition and progress.

While remaining acutely aware of the shortcomings of both Heidegger and Derrida, the writer nevertheless uses insights and terminology from their discourse in the service of exposing the historical and thought trends of hegemonic proportions which have had the effect of deracinating Judaism from ISRAEL. The writer makes the claim that a critical spelunkative analysis of what went into that final and anonymous redaction of the Babylonian Talmud points the way towards a retrieval of Judaism's burning living center. The writer further contends that such a retrieval can have the effect of returning teshuva (Judaism) back to ISRAEL.
