The Knack of Using Your Subconscious Mind John K. Williams,1980 **The Knack of Using Your Subconscious Mind** John Kenley Williams,1952 **Biblical Psychology: A Biblical Hand-book to the Human Mind** Daniel G. McCrillis, Th. D.,2015-05-18 It has become common knowledge that Christianity in America is in a psychological crisis As the answers to our problems are continuously being expressed by external remedies such as addiction programs self help teachings ministry adventures 100 ways to the average state of the inner Christian 1st Tim 4 8 is starving The mind was so relevant in the time of Christ that surprisingly one fourth of the New Testament directly or indirectly refers to it in some way Biblical Psychology brings the human mind out of the shadows and into the forefront of contextual and hermeneutical criticism Although it is believed that the mind is the most powerful machine in the world we find in Biblical Psychology that it is impossible to tap into its energy without properly understanding the purposes of its intellectual properties attention conscience emotion heart imagination knowledge memory opinions perception reason understanding and thought What is logic How do I use my logic and reasoning for good What is my conscience How do I keep a good conscience What is the purpose of my memory How do I delete bad files from my mind s memory and upload the right files How can I get control of my out of control mind Do my feelings ever lie Can I trust my feelings In what part of the mind does depression exist and can I beat it without medication What is the purpose of knowledge How do I know if my perception is right or wrong What is the purpose of my imagination What is the most practical way to have a positive attitude How do I overcome my addictive behavior fear inferiority complex negativity etc Not only does Biblical Psychology provide answers to the previous questions but will bring to the table the mind s great riddles what it is how it works what its safeguards are and how to use it rightly Finally we will discover that the mental logistics found within the Bible are the answer to the Christian s reformation Rom 12 1 2 and the secret to obtaining an identifiable power from God 2nd Tim 1 7 in the inner man A Must for Everyone **The Wisdom of Your Subconscious Mind** John K. Williams,1964 **You're Already Hypnotized: A Guide to Waking Up** Cynthia Morgan,2012-08-02 In this groundbreaking book renowned hypnoterapist Cynthia Morgan brings together hypnosis and A Course in Miracles for the first time Using these life changing tools she explains how our minds have become hypnotized by false beliefs and provides step by step guidance on how to realize your true potential You re Already Hypnotized is a unique blend of information and a powerful self healing system It includes a workbook of instructions for over 40 self hypnosis sessions a year s worth of daily reprogramming affirmations and other tools that the author has used to help thousands of clients awaken Combining true life anecdotes and inspiring examples and packed full of information this book offers practical tips and all you need to heal every area of your life relationships money health career addictions sex and more With this book as your guide you will learn to wake up to a more fulfilled life **New York Times Saturday Review of Books and Art** ,1970 Now or Never Joyce L.

Yeck,1965 Scientific American ,1953 **Your Psychic Powers and Immortality** John Alan Appleman,1968 There has been a great deal of controversy in connection with psychic powers but I also know John Appleman In my opinion he is probably one of the most clear thinking hard headed individuals I have ever encountered He would no more be connected with the irrational or the so called lunatic fringe than he would in his capacity as a lawyer be connected with anything shabby or shoddy John has published over 50 books and over 100 articles He is a contributor to the Encyclopedia Britannica and World Book Encyclopedia and has held high office in various bar societies such as dean of International Society of Trial Lawyers and president of The Federation of Insurance Counsel among others This book has been many years in preparation and in writing Since Mr Appleman regards the writers of many psychical and metaphysical books as kooks much of this present work is debunking in nature in order to get to basic truths Here for the first time perhaps we find assembled a physiological view of living man explaining the manner in which the brain and neural pathways evolved their functions the relationship of the conscious and subconscious existence of the soul and proof of immortality As John has so often told me he realizes that any man who has the guts to discuss any psychic subject lays his reputation on the line However since as he says there is no subject of greater importance to mankind than life after death he is willing to accept the lifted eyebrows of the skeptics and as an intensive trial lawyer to be perhaps the most critical of all investigators The evidence contained in this book has been cross examined checked and repeatedly supported by witnesses of unquestioned integrity and since these incidents are presented through the eyes of a lawyer of John Alan Appleman s impeccable integrity they cannot be brushed lightly aside front and back flaps The Reporter ,1953 The New Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1953 The National Union Catalog, Pre-1956 Imprints ,1968 **The Publishers' Trade List Annual** ,1968 **Executive ESP** Douglas Dean,1974 **Widener Library Shelflist: Philosophy and psychology** Harvard University.
