The Labor Spy Racket:

The Labor Spy Racket Leo Huberman,1967 *The Labor Spy Racket (Classic Reprint)* Leo Huberman,2017-12-14
Excerpt from *The Labor Spy Racket* I have tried to write such a book My task as I saw it was to become thoroughly familiar with the complete text and select therefrom and then organize those highlights that tell the story It is a shocking story It is a story which should shame our industrialists and arouse our workers It is a story which should cause all fair minded Americans to rise up in their wrath and demand that immediate steps be taken to prevent what has happened here from ever happening again Only that part of the committee's work which pertains to Labor Spies is dealt with in these pages The related topics of strike breaking and industry's traffic in tear gas and munitions receive little attention primarily because they have been so fully treated in *I Break Strikes* by Edward Levinson and because it was important to keep the book as short and simple as possible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Labor Spy](#) ,1937* *Communist Political Subversion, Part 1, 2* United States.
