## **The Things They Carried:**

**The Things They Carried** Tim O'Brien, 1998 One of the first questions people ask about *The Things They Carried* is this Is it a novel or a collection of short stories The title page refers to the book simply as a work of fiction defying the conscientious reader's need to categorize this masterpiece It is both a collection of interrelated short pieces which ultimately reads with the dramatic force and tension of a novel Yet each one of the twenty-two short pieces is written with such care emotional content and prosaic precision that it could stand on its own *The Things They Carried* depicts the men of Alpha Company Jimmy Cross Henry Dobbins Rat Kiley Mitchell Sanders Norman Bowker Kiowa and of course the character Tim O'Brien who has survived his tour in Vietnam to become a father and writer at the age of forty-three They battle the enemy or maybe more the idea of the enemy and occasionally each other In their relationships we see their isolation and loneliness their rage and fear They miss their families their girlfriends and buddies they miss the lives they left back home Yet they find sympathy and kindness for strangers the old man who leads them unscathed through the mine field the girl who grieves while she dances and love for each other because in Vietnam they are the only family they have We hear the voices of the men and build images upon their dialogue The way they tell stories about others we hear them telling stories about themselves With the creative verve of the greatest fiction and the intimacy of a searing autobiography *The Things They Carried* is a testament to the men who risked their lives in America's most controversial war It is also a mirror held up to the frailty of humanity Ultimately *The Things They Carried* and its myriad protagonists call to order the courage determination and luck we all need to survive

*Truth and Fiction in Tim O'Brien's "The things they carried"* Larissa Pörtl,2016-09-05 Seminar paper from the year 2011 in the subject American Studies Literature grade 2 7 University of Mannheim Anglistisches Seminar course In Times of Crisis Representations of War in American Literature and Film from the Civil War to Iraq language English abstract In the book The things they carried by Tim O Brien the narrator says that a good war story is never true He admits that nearly everything in the book is made up after saying that it is true before However the reader learns that not until the 7th chapter in which O Brien the narrator tells the reader that everything up to now has been invented Similarly he leaves open if some things are true or not Even the narrator who is named like the author himself is made up and has no or little similarity to the author e g the author O Brien does not have a daughter whereas the narrator O Brien does Reading The things they carried a question keeps coming up again and again Why does he do that Why does Tim O Brien the narrator constantly tell the reader that everything is made up It does not make any sense The reader just gets confused In addition to this question I found myself wondering if there was a clear difference between truth and fiction in the book namely if you could say this is true and this is untrue and this is certain and this is uncertain And if yes was it O Brien s intention to draw this clear line or did it just happen by accident Of course one cannot know everything for certain and no one can look into O Brien s brain but you can make assumptions based on the knowledge you have In my paper I will focus mainly on the aspect why the principle of truth and fiction is used in The things the carried and which effects come out of that I think this is very interesting because in my opinion this is the main aspect of the whole book Someone who reads it will not be able to stop themselves from asking questions in their head The main process while reading is that you just keep asking yourself these questions again and again and you cannot find any answer to them My goal however is not to find any answers but to try to explain this aspect truth and fiction as a whole and to examine what it might contribute to describe the Vietnam war

**The Representation of the Vietnam War Trauma in Tim O'Brien's "The Things They Carried"**,2015-03-31 Seminar paper from the year 2013 in the subject American Studies Literature grade 1 0 University of Frankfurt Main Institut f r England und Amerikastudien course War and Literature language English abstract First published in 1990

Tim O'Brien's story collection *The Things They Carried* is arguably the work most closely associated with the author's name and a highly praised fictional approach to the Vietnam War and its influence on those who participated in it. The total of 22 short stories focuses on a squad of young American soldiers referred to as the Alpha Company and touches upon a wide selection of themes and motifs which include friendship, love, memory, storytelling, superstition, and the ever-present elements of fear, violence, death, and the loss of innocence that are tied to the exposure to combat action. In addition to that, the portrayal of trauma in the novel has received positive attention from experts (Heberle 178) and critics and helped to draw attention to the role of the veteran in the United States society. In an attempt to explore this particular topic, the following pages will first address the question why Vietnam War literature as a genre did not begin to fully develop until roughly ten years after the fall of Saigon in 1975 and approach the way Tim O'Brien deals with the problematic of speaking and writing about a war that was unique in American history and called for an equally distinctive representation in literature. Afterwards, the main focus of this work is devoted to the experience of trauma both during the time and on the site of the Vietnam conflict and in the United States after the war had come to an end, based on its depiction in Tim O'Brien's *The Things They Carried* and by means of referring back to a selected variety of his stories. The concluding remarks will then be devoted to the aftermath of the Vietnam War in the public eye and the development of war literature in the United States after the 1980s.
