Pieper, 2007-05-15 In the world of slapstick comedy few are more beloved than the Three Stooges Throughout their 190 short films they consistently delivered physical verbal and situational comedy in new and creative ways Following the trio from outer space to ancient Rome this volume provides an in depth look at their comedy and its impact on twentieth century art culture and thought This analysis reveals new insights into the language literary structure politics race gender ethnicity and even psychology of the classic shorts It discusses the elements of surrealism within the Stooges films exploring the many ways in which they created their own reality regardless of time and space The portrayal of women and minorities and the role of the mistake in Stooges works are also addressed Moreover the book examines the impact that the Columbia Studios style and the austerity of its Short Subjects Department had on the work of the Three Stooges films that ironically have outlasted more costly and celebrated productions American Legends Charles River Editors, 2014-02-21 Includes pictures Includes the Stooges quotes about their lives and career Includes a bibliography for further reading Oh a wise guy eh Moe Howard I m a victim of soicumstance Curly Howard I m sorry Moe it was an accident Larry Fine A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known There has been no shortage of comedy acts in American history but the most famous and popular of them all is The Three Stooges an act that has become synonymous with slapstick Bring up their name to any American or even ask about slapstick comedy and invariably certain images will come to mind most of which came from the comedy shorts featuring three bumbling but likeable fools getting

into all sorts of trouble due to their inability to think or behave properly The Three Stooges had several lineups over the decades but two of them are most closely associated with the act Two of the Howard brothers Moe and Shemp had their origins in 1920s vaudeville along with Larry Fine but after Shemp quit he was replaced by his younger brother Curly Moe Larry and Curly quickly became a hit in comedy shorts on screen and even as other similar acts like Abbot they were not great innovators but as quick laugh practitioners they place second to none If public taste is any criterion the Stooges have been the reigning kings of comedy for over fifty years American Legends The Three Stooges examines the lives and careers of America s most famous comedy team Along with pictures of important people places and events you will learn about the Stooges like never before in no time at all **The Three Stooges** Mark Scordato, Ellen Scordato, 1995 What these men gave to the world is timeless These great gentlemen who brought laughter to millions and millions of people will never be forgotten Milton Berle I Stooged to Conquer Moe Howard, 2013 Originally published as Moe Howard the 3 Stooges by Citadel Press 1977 **The Three Stooges Scrapbook** John Howard Maurer, Jeff Lenburg, Joan Howard Maurer, Greg Lenburg, Norman Maurer, 2000-06 Dour faced Moe Howard with his sugar bowl haircut his bald chubby brother Curly and frizzy haired Larry have poked slapped ear yanked and nose twisted their way into people s hearts across the world and into film history Their nearly 200 two reel comedies made between 1933 and 1958 have been translated into over 25 languages entertained nearly six generations of fans and are seen somewhere in the world every single day The Three Stooges Scrapbook is a historical overview of their time in showbusiness **The three stooges**, 2017 This eighth volume of The Three Stooges Collection features the last 32 digitally remastered shorts from 1955-1959 It also marks the end of an era for a comedy team that to this day remains unparalleled in its success and popularity In November of 1955 Shemp Howard died of a sudden heart attack forcing Moe and Larry to use a stand in for Shemp on some of the shorts and previously shot footage in others Moe originally wanted vaudeville veteran Joe DeRita to fill in for Shemp but he couldn t get out of his contract so Moe went with Joe Besser who was also well known on the vaudeville and burlesque circuits Columbia Pictures closed its short subjects unit in 1958 thus ending the Three Stooges run after 24 years and 190 shorts half a century later The Three Stooges are entertainment legends Their unique brand of slapstick humour and physical comedy had influenced legions of performers and lives on in such contemporary icons as Robin Williams and Jim Carrey **The Three Stooges - TV Time**, America s favorite funnymen are back with the first comic book series that captures the likeness of Moe Larry and Curly These all new adventures present The Three Stooges unique brand of wit and slapstick to a new generation of fans Celebrate April Fools Day the Stooges way with this 144 page graphic novel collecting The Three Stooges Merry Stoogemas The Three Stooges April Fools Day Special The Three Stooges TV Time The Three Stooges Halloween Stoogetacular and packed with extra fun parody ads interviews classic comics and even more Stoooge goodness The Complete Three Stooges Jon Solomon, 2011-09-27 The Three Stooges were the greatest comedy team of all time Their great body of work spanned almost
