*Did Jesus Live 100 B.C.?* G. R. S. Mead, 2005-11-01 Many years of study of Christian origins have convinced some of us that it is impossible to be absolutely certain historically of any objective fact relating to the life of Jesus as handed on by tradition from the Foreword How much of the New Testament gospel story is true This is the stunning question posed and answered in this provocative volume first published in 1903 and just as startling today as it must have been a century ago Mead considered one of the greatest thinkers on the origins of Christianity and a renowned expert on Gnostic and Hermetic literature considers the story of Jesus from a theosophical outlook one that embraces the unifying enlightening philosophies that underlie all religions His explorations of the unclear boundaries between history and myth and how they affect the modern Judeo Christian traditions practices and beliefs is a thoroughly humanistic one of immense value today as we struggle to balance faith with secularism in our society Also available from Cosimo Classics Mead's *The Hymn of Jesus and The Doctrine of the Subtle Body in Western Tradition* British scholar and philosopher GEORGE ROBERT STOW MEAD 1863-1933 was educated at Cambridge University He served as editor of The Theosophical Society's *Theosophical Review* and later formed The Quest Society and edited its journal *The Quest Review* He is also the author of *Notes on Nirvana* 1893 and an 1896 translation of *The Upanishads* ***The Theosophical Review***, 1906 *The Historical Evidences of Christianity Unassailable, Proved in Four Letters, Addressed to the Rev. Mead, 2015-06-16 Excerpt from *Did Jesus Live 100 B C An Enquiry Into the Talmud Jesus Stories the Toldoth Jeschu and Some Curious Statements of Epiphanius Being a Contribution to the Study of Christian Origins* When some five and a half centuries before the Christian era the Buddha arose in ancient ry varta to substitute actuality for tradition to break down the barriers of convention and throw open the Way of Righteousness to all irrespective of race or birth we are told that He set aside the ancestral scriptures of His race and times and preached a Gospel of self reliance and a freedom from bibliolatry that will ever keep His memory green among the independent thinkers of the world When the Christ arose in Jud a once more to break down the barriers of exclusiveness and preach the Way to the Amme ha aretz the rejected of the ceremonialists and legal purists we are told that He extended the gis of His great authority over the ancient writings of His fellow countrymen and cited the Torah as the very Law of God Himself We are assured by Traditionalists that the Incarnation of Deity Itself the very Giver of that Law explicitly attested the genuineness of the Five Books He with His inerrant wisdom asserted that Moses wrote them just as it was believed by the people of His day About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the
