The Trials Of Oz:

The Trials of Oz Tony Palmer, 1971 Neville Anderson Dennis were charged with attempting to corrupt the morals of juniors and publishing an obscene magazine Specifically Oz issue number 28 1971 Although found not guilty on the first charge they were convicted on the second count of publishing an obscene magazine and sentenced to 15 months 12 months 9 months goal terms respectively Three 3 months after sentence was passed the Court of Appeal quashed the convictions ruling that the Judge had so seriously misdirected the jury about the meaning of obscenity that their verdict was unsafe

The Trials of Oz Tony Palmer, 2021-09-09 The Oz trial was the longest obscenity trial in history It was also one of the worst reported With minor exceptions the Press chose to rewrite what had occurred presumably to fit in with what seemed to them the acceptable prejudices of the times Perhaps this was inevitable The proceedings dragged on for nearly six weeks in the hot summer of 1971 when there were no doubt a great many other events more worthy of attention Against the background of murder in Ulster for example the Oz affair fades into its proper insignificance Even so after the trial when some newspapers realised that maybe something important had happened trial and judgement by a badly informed press became the order of the day A factual account was required This revised 50th anniversary edition of **The Trials of Oz** includes new material by all three of the original defendants the prosecuting barrister one of the Oz schoolkids and even the daughters of the judge There are also many illustrations including unseen material from Felix Dennis own collection The
