Time Angel:

Three Pillars of Organization and Leadership in Disruptive Times Peter Wollmann, Frank Kühn, Michael Kempf, 2019-09-28
This book written by an interdisciplinary team of authors explores the transformation of organizations in today's volatile uncertain and ambiguous VUCA world. It demonstrates the need to manage organizations in a dynamic way and to revisit and in some cases reinvent working and leadership styles that seemed appropriate during past decades and centuries. In turn, the book puts forward a model based on three distinct pillars of organization and leadership to suit disruptive times: the concepts of Sustainable Purpose, Travelling Organization, and Connecting Resources. These pillars challenge many of our traditional organizational patterns and meet the need for effective transformative approaches. **Angel** Bithia Mary Croker, 1901

How to Win the Culture War Peter Kreeft, 2009-08-20 Peter Kreeft examines the true nature of the culture war today, identifies the real enemies facing the church, and maps out a strategy for battle. **The Time Angel** Regina Stokes Russell, 2015-01-19 When Kemel opened his eyes the first time in his life, he found he was in heaven. But he also discovered he was a newly created being who would soon face the swirling mist tunnel that would take him to Earth. He was given an assignment among the People in Time there. As the mighty angels Zephon, Samael, and Dribak worked to prepare him for his journey, Kemel faced the sobering knowledge that he would be entering a world corrupted by sin and death. And even though his first experience on Earth would horrify him, Kemel was determined to fulfill his purpose for he was The Time Angel.
