Condensed from the Pages of Time Time, inc,1967 **Time Capsule**, *A Potent Moment* Jeffrey Moyer,2023-12-06 A Potent Moment assesses the current state of cannabis laws in the United States in the context of broader discussions about drug policy and advances a framework for future efforts to use cannabis legalization to advance social equity It describes the racist origins of cannabis criminalization and the ways in which the prosecutors of the War on Drugs have disproportionately harmed people of color It also offers numerous detailed case studies to identify both the successes and failures of the more recent movement to legalize cannabis at the state level particularly in terms of their efficacy at using cannabis policy to redress social inequality At the same time the author considers the difficulty of crafting effective policies in the face of ongoing cannabis criminalization at the federal level a theme which is present throughout the book as well as in a chapter dedicated to weighing the benefits but also real dangers of various proposals for national legalization A Potent Moment ends with a forceful call to reorient American drug policy away from fear stigma and punishment and toward evidence driven approaches that are applied with compassion **Catalog of Copyright Entries.
