

Tired Of Waiting

I'm so tired of waiting for you,
is there anything else I can do,
to help you feel right,
from the morning until the end of the night.

This time we are spending apart,
causes a pain right from the heart,
I know your still not ready,
just in case things dont go steady.
But if you look down deep inside,

you'll see no reason to hide,
feelings are there for many reasons,
they can come and go like the seasons.
Some are good whilst other bad,
some filled with joy and some make you mad,
so just take it a day at a time,
I still hope you walk in to these arms of mine.
