*Revels in Madness* Allen Thiher,1999 The scope of this book is daunting ranging from madness in the ancient Greco Roman world to Christianized concepts of medieval folly through the writings of early modern authors such as Shakespeare Cervantes and Descartes and on to German Romantic philosophy fin de siecle French poetry and Freud Artaud Duras and Plath Isis This provocative and closely argued work will reward many readers Choice In *Revels in Madness* Allen Thiher surveys a remarkable range of writers as he shows how conceptions of madness in literature have reflected the cultural assumptions of their era and emphasizes the transition from classical to modern theories of madness a transition that began at the end of the Enlightenment and culminates in recent women s writing that challenges the postmodern understanding of madness as a fall from language or as a dysfunction of culture      **American Book Publishing Record** ,2004      **The English Poets** Thomas Humphry Ward,1918      **Publishers' circular and booksellers' record** ,1885      **The Fictional Female** Romana N. Lowe,1997 Why are fictional females violently attacked and ultimately eliminated in nineteenth and twentieth century texts written by male authors A specific and widespread pattern not only determines the fate of heroines in French fiction but also affects us today What leads a poet a novelist and a playwright all in the same chilling direction The connection between the artistic role of the fictional female and her untimely death is given in the analysis of Baudelaire Zola and Cocteau This book demonstrates how and why women are set up to be sacrificed in a ritual that involves the very notions of gender and identity      **The English Poets** Thomas Humphrey Ward,1920      Browning to Rupert Brooke Thomas Humphry Ward,1918      *The English Poets: Browning to Rupert Brooke* Thomas Humphry Ward,1918      **1956 and All**

**that** Dan Rebellato,1999 It is said that British Drama was shockingly lifted out of the doldrums by the revolutionary appearance of John Osborne s Look Back in Anger at the Royal Court in May 1956 But had the theatre been as ephemeral and effeminate as the Angry Young Men claimed Was the era of Terence Rattigan and Binkie Beaumont as repressed and closeted as it seems In this bold and fascinating challenge to the received wisdom of the last forty years of theatrical history Dan Rebellato uncovers a different story altogether It is one where Britain s declining Empire and increasing panic over the problem of homosexuality played a crucial role in the construction of an enduring myth of the theatre By going back to primary sources and rigorously questioning all assumptions Rebellato has rewritten the history of the Making of Modern British Drama Filmfacts ,1975 **The English Poets: Appendix to vol. IV, Browning, Matthew Arnold, Tennyson** Thomas Humphry Ward,1897 *The English Poets* Matthew Arnold,1918 The English Poets: Addison to Blake Thomas Humphry Ward,1918 **The English Poets: Wordsworth to Rossetti** Thomas Humphry Ward,1894 *History, Tragedy, Theory* Barbara E. Goff,1995-01-01 In this book some of the foremost scholars of Greek drama explore the work of all three great tragedians and approach them from a variety of perspectives on history and theory including poststructuralism and Marxism They investigate the possibilities for coordinating theoretically informed readings of tragedy with a renewed attention To The pressure of material history within those texts The collection thus represents a response within classics to New Historicism And The debates it has generated within related literary disciplines *The English Poets: Wordsworth to Tennyson* Thomas Humphry Ward,1903 *The English Poets: Wordsworth to Dobell* Thomas Humphry Ward,1907
