## Vatican The War:

*Italy and the Vatican at War* Samuel William Halperin, 1939      *The Vatican at War* Philip Willan, 2013-09-23 When Pope Benedict's butler began leaking secret Vatican documents to an Italian journalist he was motivated by a desire to save the Catholic church from what he saw as a mounting tide of corruption Among the issues he felt should be brought to the attention of the pope and the public were the roles of freemasonry and the secret services in Vatican affairs and the mysterious disappearance of a Vatican schoolgirl Emanuela Orlandi The Orlandi affair ties the present travails of the papacy to the Banco Ambrosiano scandal and the death in London of its chairman Roberto Calvi The banker found hanging under Blackfriars Bridge was caught in a web of Cold War intrigue from which the Vatican is still trying to extricate itself Now updated and expanded this book was first published as *The Last Supper The Mafia the Masons and the Killing of Roberto Calvi* Praise for *The Last Supper* This powerfully written account will be required reading for students of recent Italian and Vatican history *The Tablet* The meticulously researched book makes for a surprisingly smooth and fascinating read Bloomberg Willan wrote the wonderful *Puppetmasters* about post war Italian politics and this is more of the same a smaller patch examined in more detail *Lobster*

**The War on Sex** David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is permitted to have sex By examining how the ever intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso

**The Vatican and the War** Camille Maximilian Cianfarra, 2012-10      *Hitler, the War, and the Pope, Revised and Expanded* Ronald Rychlak, 2010-05-27 Was Pope Pius XII a Nazi Sympathizer For almost fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler's pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does

he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute The Vatican and War in Europe Denis Gwynn,1940 **Lonely Cold War of Pope Pius XII** Peter C. Kent,2002-05-21 In The Lonely Cold War of Pope Pius XII Peter Kent shows how the Catholic Church was able to continue to exist on both sides of the Iron Curtain in spite of the division of Europe after the Second World War Although Christian democracy became increasingly influential in western Europe the struggle to preserve the position and rights of the Church in the east was much more difficult When east European governments under Moscow s direction began their offensive against the independence of the Church in 1948 the papacy found that it stood alone with little assistance from the U S Kent offers a new assessment of Pius XII extending the study of his career and papacy beyond the Second World War He also examines the origins of the Cold War the European perspective on American and Soviet policies and the diplomatic role and influence of the Roman Catholic Church **Current Opinion** Frank Crane,Edward Jewitt Wheeler,1916 **Pope Benedict XV. and the War** Anthony Brennan,1917 **The European War** ,1917 My War Memoirs Edvard Beneš,1928 A History of the Great War, 1914- Briggs Davenport,1916 **The First World War, 1914-1918** Charles à Court Repington,1920 **Elizabeth Bishop's World War II - Cold War View** C. Roman,2016-04-30 Elizabeth Bishop s World War II Cold War View offers the first comprehensive portrayal of the poet in mid century America The elusive story of Bishop s national cultural and literary politics during the World War II Cold War period is finally brought into sharp focus as the book traces her life and writing from the war years spent in Key West through her tenure as the 1949 1950 national poet laureate Our understanding of Bishop is completely reshaped by this study s unique ability to easily move back and forth between a wide ranging cultural critique of mid twentieth century America and a careful close and chronological reading of the poet Roman s study is ideal for students of American poetry contemporary poetry and American literature **After the War** Charles à Court Repington,1922 **San Francisco Daily Times** ,1918 **The Times History of the War** ,1918 **War and the Future**
