

Vegas Gamble

George Cantor

Vegas Gamble:

Super Casino Pete Earley, 2009-11-04 In this lively and probing book award winning author Pete Earley traces the extraordinary evolution of Las Vegas from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots He revisits the city's checkered history of moguls mobsters and entertainers reveals the real stories of well known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel and offers a fascinating portrait of the life death and fantastic rebirth of the Las Vegas Strip Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation Circus Circus to which he was given unique access In his trademark you are there style he takes us behind the scenes to meet the blackjack dealers and hookers the heavy hitters and bit players the security officers cabbies and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city

Something for Your Money David Schwartz, 2025-01-05

Addiction by Design Natasha Dow Schüll, 2012-08-20 An anthropologist traces the intimate connections between gambling addiction and casino industry design tactics Recent decades have seen a dramatic shift away from social forms of gambling played around roulette wheels and card tables to solitary gambling at electronic terminals Slot machines revamped by ever more compelling digital and video technology have unseated traditional casino games as the gambling industry's revenue mainstay Addiction by Design takes readers into the intriguing world of machine gambling an increasingly popular and absorbing form of play that blurs the line between human and machine compulsion and control risk and reward Drawing on fifteen years of field research in Las Vegas anthropologist Natasha Dow Schüll shows how the mechanical rhythm of electronic gambling pulls players into a trancelike state they call the machine zone in which daily worries social demands and even bodily awareness fade away Once in the zone gambling addicts play not to win but simply to keep playing for as long as possible even at the cost of physical and economic exhaustion In continuous machine play gamblers seek to lose themselves while the gambling industry seeks profit Schüll describes the strategic calculations behind game algorithms and machine ergonomics casino architecture and ambience management player tracking and cash access systems all designed to meet the market's desire for maximum time on device Her account moves from casino floors into gamblers everyday lives from gambling industry conventions and Gamblers Anonymous meetings to regulatory debates over whether addiction to gambling machines stems from the consumer the product or the interplay between the two Addiction by Design is a compelling inquiry into the intensifying traffic between people and machines of chance offering clues to some of the broader anxieties and predicaments of contemporary life

People of Chance John M. Findlay, 1986 In 1978 the Reverend Billy Graham himself consecrated Las Vegas's place in the American cultural mainstream by taking his crusade for Christ there He found the resort a nice place to visit and pointed out that while he did not gamble himself the Bible said nothing definitive against the practice This book is a

social history of American gambling in a series of frontier settings ranging from seventeenth century Jamestown to twentieth century Nevada The book points out the affinity between gambling and frontiers showing how both thrived on high expectations risk taking opportunism and movement and both helped to shape a distinctive culture The first half of the book paints a vivid picture of gambling in the colonial and early national frontiers on the Mississippi River and in the California Gold Rush Findlay describes how in the nineteenth century professional gamblers operating in towns and riverboats along the Mississippi popularized casino games and then tells how these gaming practices were transported to the mining frontiers of the Far West The second half of the book traces Las Vegas rise as America s ultimate resort The culmination of almost four centuries of westward migration and chance taking by Americans Las Vegas represents a link between America s frontier past and the contemporary values of the Sunbelt culture About the Author John J Findlay is Assistant Professor of United States History at the Pennsylvania State University

Sexperiment Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it s okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn t taken it far enough God wants couples to make love in marriage with passion with purpose and with pleasure Marriages aren t experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it s more than a chore The Youngs believe it s time to get back to understanding the context of sex in marriage and that it s time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks

The 101 Most Asked Questions about Las Vegas and Casino Gambling George Joseph, Father Marie Joseph, 2003 Does organized crime control casino gambling in Las Vegas Is betting on a horse in a Race Sports Book the same as betting at the track Is prostitution legal in Las Vegas Was the Robert DeNiro movie Casino accurate and who were they really talking about Do casinos cheat customers How can I tell if a table is hot or cold and more questions answered by George Joseph

Gourmet's Gamble Blanche Campbell, 1962

The King of Vegas' Guide to Gambling Wayne Allyn Root, 2006-08-03 The King of Las Vegas and America s premier sports gambler reveals a powerful program for breaking all the rules beating all the odds and achieving all your dreams In *The King of Vegas Guide to Gambling* Wayne Allyn Root of Spike TV s King of Vegas TM demonstrates why it is vital to take risks in life whether in the casino on the playing field or in the boardroom Root lives an American dream He makes money watching sports on television In fact as CEO of GWIN Inc America s only publicly traded sports handicapping firm Root is a self made millionaire with hundreds of thousands of sports betting clients and fans In this book he reveals the spiritual principles behind his consistently winning hand Turning the popular conception of the casino denizen on its head Root shows readers how to concentrate on the risks they take and to

cultivate tranquillity in the face of life defining stressful moments Bringing a unique contrarian approach to gambling Wayne Allyn Root states his maxim of never following the masses and always taking the lead in life and guides the way to navigate successfully the many gambles life offers **Where to Gamble** George Cantor,1997-10 A sure bet for gaming enthusiasts at every level this guide to casinos riverboats racetracks and more provides accurate up to date information on the fastest growing segment of the entertainment industry 100 photos **Casino Gambling For Dummies** Kevin Blackwood,Swain Scheps,2022-04-26 Maximize your odds on the casino floor Casinos are designed for distraction so it helps to know a bit about when the odds are in your favor and when they re not before you push a stack of chips onto a table Professional blackjack player Kevin Blackwood and lifelong sports bettor Swain Scheps know a thing or two about casino gambling In **Casino Gambling For Dummies** these seasoned gaming veterans guide you through the essential strategies for walking out of the casino ahead of the game They also show you the most common mistakes made by players helping you avoid gambling risks while you enjoy what the gaming industry has to offer Learn to see past the flashing lights decide how much you re willing to wager and find out how to enjoy yourself In this book you ll also discover Step by step walkthroughs of casino etiquette and the rules of common casino games including poker and blackjack Explanations of video poker and slots and ways to avoid losing more than you re comfortable with Explorations of online gambling so you can enjoy the fun of a casino from the comfort of your home The perfect guide for anyone looking for an easy introduction to the world of casino gaming **Casino Gambling For Dummies** is also an essential resource for those seeking to improve their odds at blackjack craps video poker slots and other games **Feeling Lucky** Paul Franke,2023-07-13 Monte Carlo and Las Vegas have become synonymous with casino gambling Both destinations featured it as part of a broad variety of leisure and consumption opportunities that normalized games of chance and created emotional atmospheres that supported the hedonistic aspects of gambling Urban spaces and architecture were carefully designed to enable a rapid growth of the casino industry and produce experiences on previous unimaginable scale **Feeling Lucky** is a making of story about cities which acquired a strange and captivating allure of mystery around them It is more than a mere descriptive account however Combining urban history the history of consumption and sociological approaches it presents a compelling comparative history of Monte Carlo and the Las Vegas Strip between the 1860s and 1970s Paul Franke takes the reader on a journey from arriving at the cities through the carefully planned urban environments and into the famous casinos The analysis follows the paths contemporary gamblers would have taken right to the gambling tables and to the shifting gambling practices across a century Franke shows that casino entrepreneurs succeeded in producing and selling gambling experiences by controlling spaces adapt leisure practices and appeal to specific markets Gamblers on the other hand regarded Monte Carlo and Las Vegas as places to engage in games of chance that would allow them to preserve their political cultural and moral identities **Gambling with the Myth of the American Dream** Aaron M. Duncan,2015-03-02 This book explores the rise and increased acceptance of gambling in

America particularly the growth of the game of poker as a means for examining changes to the American Dream and the risk society Poker both critiques and reinterprets the myth of the American Dream putting greater emphasis on the importance of luck and risk management while deemphasizing the importance of honesty and hard work Duncan discusses the history of gambling in America changes to the rhetoric surrounding gambling the depiction of poker in the Wild West as portrayed in film its recent rise in popularity on television its current place in post modern America on the internet and future implications
