carrying attitude toward animals our health and the health of the planet This attitude as Richard Schwartz shows in his pioneering work now fully revised has been a constant theme throughout Judaism to the present day Indeed Judaism's particular concern for tikkun olam a healing of the world has never been more urgent today given the current state of world hunger environmental degradation and the horror of factory farms Dr Schwartz shows not only how Judaism is particularly well suited to solving these problems but how doing so can revitalize one's Jewish faith Quick Bibliography Series, 1976
