Venetian Stories Jane Turner Rylands,2004-05-11 In these brilliantly realized linked tales the real Venice is revealed not the iconic tourist destination the city has become but the mysterious society that resides behind its elegant doors and shuttered windows With a sly and affectionate delicacy Jane Turner Rylands an American expatriate who has lived in Venice for thirty years portrays a dozen Venetians a construction foreman a countess a gondolier a postman an architect a Baronessa an English lord as they pursue their respective interests And in turn through the perspective of those who live and work in this most alluring of cities Venetian Stories illuminates canals and palazzos churches and gondolas large concerns and small rituals with an uncommon intimacy

Across the Bridge of Sighs Jane Turner Rylands,2007-12-18 From the author of the acclaimed Venetian Stories a captivating new collection about Venice from the perspective of its residents A professor writes lectures on Venetian literature for American millionaires A baroness falls in love with the architect restoring the ancient palazzo of her husband s family An ambitious gallery owner sells a young artist s work faster than he can paint it A salesman finds a way to trip up a narcissistic race car driver who seems to be able to get away with anything As her characters negotiate the conflict between tradition and a rapidly changing city Jane Turner Rylands draws us deep into a society all but unknown to outsiders
