When words speak Louder is a poetry book by Nitika Parashar which contains depth of tremendous emotions to hit you like a wave and take you with it towards calmness It s the voice of many of us left unheard It contains poetic stories which most of us have lived but denied its existence It s about love we failed love we admired love we desired It s about losses that shattered our soul losses that we never thought to come losses that changed us It s about fear we faced and how we are raised It s about life It s about different phases we lived It s about how despite all of it we can keep going and live at peace

Seven Seeds Frank Hackett,2022-11-03 Are you happy with where you currently are in life Do you want more out of life Do you seek to be fulfilled and have a greater sense of purpose and understanding Most people don t realize that their thoughts words and actions determine their future You are where you are right now in life good or bad because of everything you ve thought said and done in the past The purpose of this book is to simplify seven key biblical principles to help the reader discover and understand that they have control over their future However the key to understanding these biblical principles is to awaken the spirit within in order to live an emotionally stable blessed and prosperous life We live life through the seeds we plant each day in our thoughts words and actions Begin to understand the true power and importance of your thoughts words and actions and the role each plays in manifesting your future Have a clear understanding of certain biblical principles that as Christians we cannot ignore if we truly wish to live a faith filled abundant life Learn that everything comes from God and that developing a relationship with God is the key to everything Be drawn closer to God and have a new perspective in your thinking with an open heart and a clear mind More importantly awaken your inner spirit to the simple truths that God has laid out for every one of us to live by **Twelve sermons** James Battersby,1882 **A Healing Word for the Heart, Mind, and Soul** Trina M.
