Gloom to Boom by Andrea Bonime-Blanc, 2019-10-16. Leaders, whether in business, government, or the nonprofit sector, take risks but often without fully understanding risk at a strategic level. Expanding upon the well-known ESG risks, this book explains the key nonfinancial, environmental, social, governance, and technological or ESGT risks. For many leaders, including board members, taking risk without knowledge or preparation can lead to organizational crisis, scandal, and value destruction. For those who are prepared, resilience follows, and so does the ability to transform ESGT risk into opportunity and value for stakeholders. In this book, global governance, risk, ethics, and cyber strategist, author and board member Andrea Bonime Blanc shows practitioners at all levels how to effectively identify and manage their top ESGT risks to avoid crises and transform risk into sustainable, long-term resilience and value. *Gloom to Boom* is a book for everyone, from the highest levels of leadership in an organization (the board, CEO, and C-suite) to other senior leaders (the chief risk officer, CFO, general counsel, head of CSR and sustainability, CISO, CHRO), and midlevel leaders, students, and folks simply interested in current affairs and the role and impact of strategic risk and opportunity on their lives.
