Rosenberg, 1986 **The Concept of the Messiah in the Scriptures of Judaism and Christianity** Shirley Lucass, 2011-09-15 *A Postcolonial African American Re-reading of Colossians A.* Tinsley, 2013-08-20 Written from an African American perspective this work depicts the presentation of the gospel message to the first century community of Colossae their reception of it comparative to the presentation and reception of the same to the enslaved Africans of North America particularly in the eighteenth and the nineteenth centuries *Zionism: Problems and Views* Paul Goodman, Arthur D. Lewis, 1916 *God and the Problems of Love* Kelly James Clark, 2023-12-06 Religious believers are often commanded to love like God On classical accounts God seems a poor model for human beings an immutable and impassable being seems incapable of the kind of episodic emotion sympathy empathy that seems required for the best sorts of human love Models more conducive to human love on the other hand are often rejected because they seem to limit God's power and glory This Element looks first at God and then divine love within the Abrahamic traditions Islam Christianity and Judaism It will then turn to love and the problem of hell which is argued as primarily a problem for Christians The author discusses the kind of love each tradition asks of humans and wonders given recent work in the relevant cognitive and social sciences if such love is even humanly possible This title is also available as Open Access on Cambridge Core **Jewish-Christian Relations** Michael Shermis, 1988 A selected listing of material in English on Jewish Christian relations throughout the centuries written or produced from the late 1940s to the present Includes more than 550 books over 60 pamphlets and sections for articles journals congresses media syllabi service groups and organizations and speakers See the subject index under Anti Judaism Anti Semitism and Holocaust **The Routledge History of Antisemitism** Mark Weitzman, Robert J. Williams, James Wald, 2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding and as concern over antisemitism has grown so too have the debates over how to understand and combat it This handbook explores its history and manifestations ranging from its origins to the internet Since the Holocaust many in North America and Europe have viewed antisemitism as a historical issue with little current importance However recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews Antisemitism has become a major issue confronting and challenging our world This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective covering a broad scope of experiences across different countries and regions The final section discusses the manifestations of antisemitism in its varied cultural and social forms With an international range of contributions across 40 chapters this is an essential volume for all readers of Jewish and non Jewish history alike **The Hebrew Christian Alliance Quarterly**, 1928 **Our Jewish Neighbors**, 1930 **The Literary Guide and Rationalist Review**, 1925 **The Liberal Jewish Monthly**, 1929 [The Jewish Center](#), 1923 [Antisemitism: 1987-1988](#) Susan Sarah Cohen, 1994 [The Universal Jewish Encyclopedia ...](#) Isaac Landman, Simon

Engaging the Doctrine of Israel Matthew Levering,2021-09-16 This book is the dogmatic sequel to Levering s *Engaging the Doctrine of Marriage* in which he argued that God s purpose in creating the cosmos is the eschatological marriage of God and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people s relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism **The National Jewish Monthly** ,1927 **The Subject Index to Periodicals**
