The Colastic Moon Temple:

The Colastic Moon Temple Joe La Fountaine,2004-05-01 Sure Jay had heard some of the rumors about the old building that Barry s aunt had just bought Those things had to have happened years ago because the Colastic Moon Temple was too rundown to have had much recent use The best friends had no idea what was in store for them when they chose to house sit Barry s aunt s new property Her trip out of town would only be for a couple of days It seemed innocent enough to just keep an eye on the old property But as the evening approached the gentle spring afternoon turned into a night of terror and the very fabric of Jay and Barry s friendship would be tested by the choices they had to make between life and death

Hollywondra Joe La Fountaine,2023-10-05 He was a young warrior by the standards of his community Even though Jarius had been recently knighted he still struggled to understand why he was chosen to find the most holy of religious artifacts This was clearly a mission that should have been assigned to the greatest Elvan warrior He also understood that this was his destiny a destiny that would require him to travel to an unknown land to find the ancient artifact known only as the Ray of Light He had no idea what the Ray of Light looked like He was only traveling with the faith that his God would reveal it to him in time to save his kingdom from the evil forces of Zel Camber He knew he would have to find the Ray of Light and return before these evil forces could destroy the last elves on Namron Rae His journey would take him to a strange land and force him to engage these people with the strangest surroundings and customs *Practical English, a Scholastic Magazine* ,1961 The Educational calendar and scholastic year book [ed. by F.
