Sawyer, 1996 Too often the religious traditions of antiquity are studied in isolation without any real consideration of how they interacted What made someone with a free choice become an adherent of one faith rather than another Why might a former pagan choose to become a God fearer and attend synagogue services Why might a Jew become a Christian How did the mysteries of Mithras differ from the worship of the Unconquered Sun or the status of the Virgin Mary from that of Isis and how many gods could an ancient
