

100 for a working majority

Working Majority

David Butler

Working Majority:

The United States and Canada Paul J. Quirk, 2019 The United States and Canada share the longest border in the world maintain one of the closest alliances and are notably similar in many ways Yet the two countries also have important differences including sharply contrasting political institutions In The United States and Canada Paul J Quirk has gathered a distinguished cast of contributors to present an integrated comparative examination of the political systems of the United States and Canada with special attention to the effects of political institutions and their interaction with political values geographic and demographic factors and other influences The volume explores the differences between the American presidential or separation of powers system and the Canadian parliamentary system focusing on electoral and party systems executive leadership and the legislative process bureaucratic influence and federalism It proceeds to examine patterns of governance in a wide range of issue areas economic policy climate change policy healthcare policy civil rights integration and immigration and abortion and gay rights A sweeping comparative account this volume serves as an authoritative guide for anyone interested in why the two countries differ and where they might be headed Governing without a Majority David Butler, 1986-11-14 Organising the European Parliament Nikoleta Yordanova, 2024-10-31 The recent empowerment of the European Parliament makes this a timely study of the impact of its internal organisation on legislative politics interest representation and democracy within the Union Using data on all legislators and legislative proposals in the sixth parliamentary term the book confronts alternative theories of legislative organisation in rigorous statistical analyses supported by rich interview information The findings indicate that the internal setup and legislative output of the parliamentary committees serve the policy goals of parties in the European Parliament and in particular the working majority party rather than special interests or purely informational needs which the author explains with the formal and informal parliamentary rules As the committees advance party politics instead of particularistic policies she concludes that legislating within the committees is positive for democracy in the European Union and raises concerns about the loss in transparency legitimacy and accountability that the increasingly common fast track bicameral decision making outside the committees entails **The World's Work**, 1922 Russia under Krushev Abraham Brumberg, 2023-03-24 First Published in 1962 Russia under Krushev is a comprehensive collection of articles from Problems of Communism a journal published by U S Information Agency These provide a chronological and thematic commentary on internal developments in Soviet Union varying from the changes in official ideology to the latest development in Soviet agriculture They provide the broadest picture of the political economic and cultural trends of Krushev s Russia and represent a galaxy of writing talent including work by Carew Hunt Lowenthal Avon Dallin de Jouvenel Peter Wiles and others This is an interesting read for scholars of Russian history and Soviet history **Routledge Library Editions: Hegel** Various, 2021-08-26 Originally published between 1982 and 1991 the 3 volumes in this set Reflect the diversity in Hegelianism and every branch of philosophy which

he contributed to Examine Hegel s work in relation to Marx and Wittgenstein Discuss Hegel s social theory Examine British Hegelian thinking and the lines of its development Offer an interpretation of Hegelian theory that is relevant for the understanding of modern republican constitutions The Netherlands Great Britain. Foreign Office. Historical Section,1920 The Journal of Hellenic Studies ,1913 **An Outline History of Japan** Herbert Henry Gowen,1927 *The English-speaking World* ,1926 **Documents of the Assembly of the State of New York** New York (State).
