

# Working Theory– What it Encompasses

- Student success has been linked to numerous variables
- These variables manifest themselves in many theories
- Ultimately, these theories offer insight for understanding effect of individuals and/or surroundings on student success in attempts to foster and encourage student success
- This all leads to three pertinent points:
  - What do you define as student success?
  - How do you evaluate this success according to the conceived definition?
  - Who is responsible for generation of that success?
