Skunk Lane:

Groton Revisited Carol W. Kimball, James L. Streeter, Marilyn J. Comrie, 2007 Its proximity to the ocean will always be the most significant part of Groton's history The 19th century shipyards along the Mystic River produced some of the country's finest clipper ships Land along the Thames River today remains home to the country's oldest submarine base and to the General Dynamics Electric Boat corporation where the world's first nuclear powered submarine USS Nautilus was built and first set sail Today Nautilus is permanently berthed along the Thames in Groton at the Submarine Force Library and Museum But Groton is a typical New England town as well Within this volume the town's evolution is traced from its agrarian roots in Center Groton and along the plains of Poquonnock to the devastation wrought by the Great Hurricane of 1938 It recalls some of Groton's great citizens including two Civil War Medal of Honor winners and two Boston Marathon champions Unholy Vengeance K. L. Dempsey, 2019-10-29 The thriller *The Unholy Vengeance* is a blend of suspense and engaging characters It features a plot that centers on a man of God who has lost his way The novel brings together a love story between the female detective and her future commercial pilot husband At the same time she remains determined to end this pastor's idea of terror and death As the story moves forward the reader will soon learn that the minister's chosen method to kill those he considers a threat to his established goals is not the typical knife gun or even bomb but rather a predator that has been known to be lurking in one's own local food store Throughout the novel the race continues in an attempt to stop this man of God from bringing his blend of punishment and death to her family and the community that he lives in **Skunk Lane** Brom Hoban, 1983-01-01 A young skunk named Jarvey Blackpaw leaves home at his parents bidding but finds that his music and willingness to work for this room and board serve him well *Tell Me Jackson Spirit* Dick Fancy, 2022-01-23 The Content the Plot The Potent the Clot The Poet the Trout Burp This book has neither subject nor object nor author nor reader It is not a book about life but is a life itself many lives as they slip into and out of each other Falling to their deaths And back again From Reality to Dream and back again So many times that you forget which side of the mirror you're on It's the cracked looking glass of a servant where the ego dissolves into the group phantasm of the unavowable community dreaming of mythological revolution that will finally bring about the Time when Hearts fall In Love *Fish Out of Water* Eric Metaxas, 2021-02-02 What Happens When One of America's Most Admired Biographers Writes His Own Biography For Eric Metaxas the answer is *Fish Out of Water* A Search for the Meaning of Life a poetic and sometimes hilarious memoir of his early years in which the Queens born son of Greek and German immigrants struggles to make sense of a world in which he never quite seems to fit Renowned for his biographies of William Wilberforce Dietrich Bonhoeffer and Martin Luther Metaxas is the author of five New York Times bestsellers the witty host of the acclaimed Socrates in the City conversation series and a nationally syndicated radio personality But here he reveals a personal story few have heard taking us from his mostly happy childhood and riotous triumphs at Yale to the nightmare of drifting toward a dark abyss of meaninglessness from which he barely

escapes Along the way he introduces us to an unforgettable troupe of picaresque characters who join this quintessentially first generation American boy in what is both bildungsroman and odyssey and which underscores just how funny serious happy sad and ultimately meaningful life can be Long Island Alive Fran Silverman, Francine Silverman, 2003 Each chapter of this guide to Long Island s fine dining recreation shopping historic sites and scenery focuses on a particular region of Long Island and presents its highlights from an insider s point of view Some of the attractions described include tours and day trips beaches and national parks farm stands wildlife preserves and museums Best Bike Rides Long Island David Streever, 2017-04-15 Best Bike Rides Long Island describes 40 of the greatest recreational rides in the Long Island area Road rides rail rides bike paths and single track mountain bike rides all get included Most rides are in the 5 to 35 mile range allowing for great afternoon outings and family adventures though there are plenty of challenging rides in the mix as well Best Bike Rides Long Island includes a map of each ride a log of significant mile points a text description of the ride a start finish point with nearby motor vehicle parking the GPS coordinates of the start finish point and color photos of one of the rides features Also included is information on local restaurants lodging maps bicycle shops other facilities for cyclists and community resources Route 7, Norwalk to Danbury ,1978 *Daughters of the American Revolution Magazine* ,1895
