that has an ear let him hear what the Spirit says unto the Churches He says it to each of the seven churches giving them warning as to what will happen if they don't listen Later in the same book he says something that opened my understanding to the reason people don't hear He says If any man have an ear let him hear This indicates to me the Spirit will no longer be speaking to people because He is no longer in the world Those left behind will only be able to hear with the natural ear what is going on around them I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord There is coming a time when the Spirit will no longer speak to the hearts of man for judgment will be falling on the world who would not listen It will be a time of famine of the Word I pray the church wake up now Don't be like the five virgins who feel asleep with no oil in their lamps and woke up left behind Now is the day of salvation now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life You can't change yourself you can only die to the self life and grow in the God life the savior provided for you at the cross Living in the Last Days is not a popular phrase but it is what is happening We have no leadership and preachers are preaching to itching ears and tickling ears Hearts are cold or very lukewarm with no attention span to help one another to grow Evil is growing and good people are doing nothing because they are too busy to overworked to far asleep 666 is now here and is going to be required by government and good people are doing nothing because they don't care don't see what it happening right in front of them The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon **The Seven**
