Monthly Entries for the Spiritual but not Religious through the Year Mark G. Boyer,2022-08-30 This is a book about spirituality for the spiritual but not religious Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States This book provides 189 monthly entries based on the national and international celebrations that occur every month Each entry begins with the name of the occasion and the date when it is marked during the month A text from the Bible a US public law a presidential proclamation a United Nations declaration etc that illustrates the day is presented The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated Journal meditation questions follow the reflection and a prayer concludes the entry This book is for the spiritual but not religious a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them *The Cook's Encyclopedia of Chocolate* Christine McFadden,Christine France, [The Apocalypse of the Reluctant Gnostics](#) Stuart Douglas,2018-04-19 This book presents a comparison of the Gnostic worldviews of Carl G Jung and science fiction author Philip K Dick two figures who have done far more than most to revive an interest in the Gnostic tradition in the modern world Despite profoundly different approaches one was a depth psychologist whose unique insights and approach to psychology forced him to explore the depths of the unconscious in a way that inevitably led him to touch frequently on metaphysical or spiritual matters the other was an author of science fiction there are some striking parallels between their unique Gnostic visions With the relatively recent publication of both Jung s and Dick s personal journals *The Red Book* 2009 and *The Exegesis* of Philip K Dick 2011 respectively in which they articulate their Gnostic visions it seems timely to make this comparison **Spiritual Chocolate** Dr. Glenn Mollette,2001-08 *Daily Wisdom For Mothers* Michelle Medlock Adams,2013-09-01 Where s wisdom when moms really need it Right at their fingertips thanks to Daily Wisdom for Mothers Following Barbour s popular Daily Wisdom for Women and Daily Wisdom for the Workplace with combined sales of more than 460 000 this new book is by a mom award winning writer Michelle Medlock Adams for moms Especially for women with children at home Daily Wisdom for Mothers offers 365 brief relevant and biblical reflections with monthly themes such as worry unconditional love discipline and praying Each will show mothers how Scripture applies to their everyday lives and equip them to be the best moms they can be **The Princess Journal: A 365-day Devotional Challenging Women to Settle for Nothing Less Than God's Best** Sarah Holland,2019-12-11 This book is a Christian daily devotional challenging women of all ages to settle for nothing less than God s best for them **Out of the Norm** Norman Smith,2011-11 I first tried writing these little blurbs weekly some years ago when I became a pastor My office manager suggested I try to fill this much space in the church bulletin I started with the obvious and wrote a sentence or two about the morning s sermon topic Today we look at the way God led

Joshua and see that He still leads us through our personal struggles today That was deadly dull I couldn't take it My own mind drifted off into the nether regions Slowly unplanned I began to find diversions I followed my own wandering thoughts I strolled along ethereal shores looking for pretty shells or interesting wave worn rocks Over three hundred of these musings have been the result Some are ridiculous and probably none is sublime but they reflect my mental meanderings If you choose to come along I'm grateful for the company Most of the topics may seem to appear with no rhyme or reason That is because it is so They were first dashed off as fillers Then I began to find the writing a brief respite in the week an outlet for my own interests I have always tried to observe and learn wherever I could from cereal boxes to the internet so the myriad magazines emails media pulp personal encounters and random meetings that were woven into the pastorate as well as countless experiences from previous careers all provided grist for the mill The aim of all writing and the aim of life itself it seems to me is to tell the truth It may be in the form of fiction or fact but the goal doesn't change Writing a poem or repairing a motorcycle or remodeling a room or preaching a sermon I see them as all the same Work recreation ministry serving laughing call them what you will if done honestly all become worship For each moment for each task we are to be true to ourselves and to others I have tried to be so here In this little collection you will find again like life itself that the sacred moments must exist side by side with the trivial the holy with the profane Also I have not bothered to group by topic or date of creation An anecdote about Christmas may follow one about paper clips I figure it's easier to tell you that than to do the tedious work of careful collating Please try to make the best of it

Bridge to Light and Love Michael and Kathie Waters, 2017-10-30 Michael and Kathie Waters considered themselves average everyday citizens that is until a devastating illness swept them into an amazing journey that was anything but average When an unexpected path unfolded before them a strange turn of events propelled them into a surprising spiritual awareness This newfound enlightenment changed everything they thought they knew or understood about the world and as their bond with those beyond the veil strengthened long forgotten information was revealed Based on recollection and long kept journals The Bridge to Light and Love tells the Waters incredible story in a down to earth honest way It isn't that unusual to experience metaphysical and spiritual phenomena What is unusual is to read about these experiences as though they are everyday occurrences Mike and Kathy tell their story as if they are sharing their conversations with dear old friends old friends who just happen to be in non physical
