Standing Watch:

Standing Watch Jonathan Li-Chung Leung, 2019-04-30 The first book to capture and preserve the inside story of the exclusive brotherhood that manned the front lines of the Cold War Featuring interviews from seventeen veteran submariners Standing Watch American Submarine Veterans Remember the Cold War Era offers the perspective of the submariners themselves lending them a voice and paying homage to their service Jonathan Li Chung Leung provides an original glimpse into a world of unique challenges and characters a life isolated and submerged and a duty defined by the juxtaposition of monotonous routine and unparalleled excitement These personal accounts of life below the surface offer readers a front row seat to close encounters with Soviet submarines and the naval blockade during the Cuban Missile Crisis as well as an intimate understanding of daily life onboard the vessels the culture of military discipline and the religious like fervor exercised in honoring traditions big and small By applying first hand perspectives to a larger thematic overview this book uses authentic narratives to deliver a lively and colorful picture of the Silent Service Set against the backdrop of sobering geo political disputes and their own role as the nation s defenders against a seemingly ambiguous super enemy these veterans focus on their responsibilities and reflect on careers built on the simple axioms of pride and service This invigorating and unalloyed account is an unprecedented addition to the existing literature on naval and military history
