## **Starry Child:**

*The Starry Child* Lynn Hanna, 1998 If you enjoy the extraordinary stories of Diana Gabaldon Karen Marie Moning and the paranormal works of Nora Roberts THE STARRY CHILD is a spell binding unforgettable story of a star crossed love that survives through the ages a tale as timeless as the mystic Scottish legends and forbidden lovers among the heather of long ago Yet it is as vibrant and alive in the present day as those whose fates now hang in the balance It s the story of a young mother who learns that her own destiny is forever tied to a man she hardly knows a man of the Highlands Yet in her heart she realizes that he s someone she has always known And at the center of it all lies an undying love held in secret by a little girl Since the tragic death of her father eight year old Sasha Nielson has not spoken a word Her mother Rainey has taken her to doctors and therapists but medical science has not found the cause or the cure for Sasha s silence There are days when her behavior is baffling even potentially dangerous particularly during lightning storms The authorities threaten to take Sasha away and time is running out One man sees beyond Sasha s mysteries Matt Macinnes is a gifted professor of ancient languages a man who senses that there is a key to Sasha s silence that she may in fact be guarding a secret of such profound and terrifying dimensions that it staggers the imagination Only Matt can get Sasha to whisper her secrets secrets she reveals to him in Old Gaelic a language she has never had access to Could this All American little girl truly be carrying around the restless soul of an exiled Celtic queen of old More than that Matt finds himself drawn to Rainey s amazing strength and beauty He feels ties to her that he can t explain But her protective instincts toward little Sasha have built a fortress around her heart a barrier that only hard won trust and absolute proof of his worthiness can tear down He is devoted to both mother and daughter but the mystery of Sasha s secret destiny must be solved before he can reveal the passionate truth that burns within him Rainey has fought to keep Sasha safe from the cruelty and ignorance of the world She has tried everything to help Sasha overcome her silence but in the end Sasha s wordlessness has prevailed and stress and exhaustion are Rainey s constant companions She can t fix things by herself but she doesn t dare trust anyone else for fear others have a dark agenda that could lead to the loss of Sasha Matt is very tempting Aside from the fact that he has an almost mystical kind of attraction about him it would be very easy to simply hand him her heart and her impossible responsibilities and let him take over for a while Added to that Sasha adores him at first sight But is Matt only helping them in order to earn himself professional recognition and a hefty university grant How can she deny being drawn to him with every breath she takes as if she has known and loved him for a thousand years How can she dare to trust him when not only her heart is at stake but Sasha s heart is in the balance as well
