The Good Patient:

The Good Patient Alex Stone, 2023-03-22 A psychological thriller from Alex Stone top 50 bestselling author of *The Perfect Daughter* and *The Other Girlfriend* Appearances can be deceptive I was taught that life is pain That love is pain It was unavoidable Acceptable I never had anything or anyone I could count on Not really Not even myself Until I met Dr Menon To the outside world Lauren Taylor s relationship with her boyfriend Josh is perfect He is supportive and loving and has been there for Lauren during her darkest moments But behind closed doors secrets and lies can be hidden And when Lauren wakes up in a hospital bed and is told Josh is missing those secrets come bubbling up to the surface Because the police think Lauren knows exactly what s happened to Josh that she could even be capable of his murder The only person who believes in Lauren s innocence is Dr Menon who has cared for Lauren as his patient for the last few weeks He can t believe she s capable of murder He knows just how good she really is Isn t she A gripping new psychological thriller perfect for fans of Sue Watson Shalini Boland and S E Lynes Praise for Alex Stone A brilliant book I loved it B A Paris Chillingly Compelling Diane Saxon I had such an ominous feeling of uncertainty as I turned the pages It was tense engrossing and twisty Loved it Noelle Holton From the first page the tension is relentless never letting up and the suspense is maintained to the very end It is a story of the power of human need the damage it can do and the struggle to free oneself of its tentacles Lauren the good patient is complex and completely believable The best book I ve read in a long time Highly recommended Michael Stanley The Good Patient is a compulsive read with a cracker of a narrative and a terrific twist that will keep you hooked till the end
