Governor, 1922     *Reports of the Governors of Arizona, Dakota, Idaho, Montana, New Mexico, Utah, and Washington* Arizona. Governor, 1899     **The Governors** E. Phillips Oppenheim, 2015-02-19 Virginia when she had torn herself away from the bosom of her sorrowing but excited family and boarded the car which passed only once a day through the tiny village in Massachusetts where all her life had been spent had felt herself notwithstanding her nineteen years a person of consequence and dignity Virginia when four hours later she followed a tall footman in wonderful livery through a stately suite of reception rooms in one of the finest of Fifth Avenue mansions felt

herself suddenly a very insignificant person The roar and bustle of New York were still in her ears Bewildered as she had been by this first contact with all the distracting influences of a great city she was even more distraught by the wonder and magnificence of these her more immediate surroundings She who had lived all her life in a simple farmhouse where every one worked and a single servant was regarded as a luxury found herself suddenly in the palace of a millionaire a palace made perfect by the despoilment of more than one of the most ancient homes in Europe An Account of the Augmentation of small livings, by "The Governors of the Bounty of Queen Anne for the Augmentation of the Maintenance of the poor Clergy," and of benefactions by Corporate bodies and individuals to the end of the year 1825. (Supplement, ... being a continuation ... to ... December, 1834.) Also the Charters, ... by which the proceedings of the Governors are regulated; to which are prefixed practical instructions ... on various subjects relating to Queen Anne's Bounty Esq. Christopher HODGSON,1845 *An account of the augmentation of small livings by 'the governors of the bounty of queen Anne for the augmentation of the maintenance of the poor clergy', and of benefactions by corporate bodies and individuals to the end of ... 1825. Also the charters on various subjects relating to Queen Anne's bounty* Christopher Hodgson,1845 Wisconsin Edward Augustus Fitzpatrick,1928 *Records of the Governor and Council of the State of Vermont: Record of the Governor and Council, 1782-1791* Vermont,1875 **The Central Provinces Gazette** Central Provinces (India),1909 Report of the Governor of New Mexico to the Secretary of the Interior New Mexico. Governor,1903 **The Governors of Texas** Ross Phares,1999-04-30 The state of Texas holds an interesting and important place in the history of the United States and this volume explores those men and women who have helped to shape the course of the state by serving as governor For example Miriam V Ferguson 1925 1927 1933 1935 was the first woman governor of the state She won the governorship by promising that she would work with her husband former Texas governor James E Farmer Jim Ferguson 1915 1917 assuring Texans that they would have two governors for the price of one As in the story of the Fergusons The Governors of Texas offers political and biographical information on each Texas governor from the period of French control through 1973 Thus the progression towards statehood and beyond is clearly visible in this history of the individuals who took great pride in serving as their state's chief executive officer For quick reference a roster of governors is also provided giving full names and the dates in which each individual held office Also included are pictures of most of the governors so that these men and women may be more vividly brought to life Statutes of the Province of Quebec Passed in the Session Held in the ... Year of the Reign Québec (Province),1908
