**The Gravesend Connection** Stan Pollack,2009-02-18 With a masterful grasp of what was at stake in World War II STAN POLLACK in his third novel has effectively recreated a time on the brink of being forgotten These were the most dramatic years of the Twentieth Century 1933 45 when the worlds nations descended reluctantly into a tumultuous war HOW HITLER REALLY LOST THE WAR The story succeeds in that tricky business of combining true history with believable fictional actors injecting themselves onto the world stage The cast of characters teems not only with famous personalities of the time but ordinary fictional figures whose deeds were never recorded into history books
