The Way It Is Patrick Sanchez, 2012-07-19 Patrick Sanchez's wickedly funny debut novel GIRLFRIENDS shimmied off the shelves and brought him an instant legion of fans Now in THE WAY IT IS he introduces three thirty something roommates with insatiable appetites for life love and anything deep fried in this delicious delirious celebration of women whose hearts are as big as their hips When The Chips Are Down These Girls Bring The Dip Livin large has never gotten Ruby Waters what she wants in life Overweight and addicted to every fad diet on the planet Ruby's sure that the only thing that stands between her and the good life are those extra pounds she can't seem to shed But when a girl's stuck caring for an annoying ex husband an impossibly critical mother and the world's most psychotic incontinent Chihuahua her best friend is a dozen doughnuts and a can of whipped topping She'll starve herself tomorrow and soon she just might have the courage to go after what she really wants the hunky coworker with the bod of steel Fat is where it's at honey That's plus sized model Wanda Johnson's motto The larger than life African American goddess may top the scales but there are plenty of men begging for her phone number The only thing standing between Wanda and fashion fame is another model who wants what Wanda has and would do anything that's anything to get it Simone Reyes D.C.'s most famous Latina certainly goes after what she wants and it's usually ripped with muscles and under thirty As the city's sexiest anchorwoman the glamorous svelte Simone doesn't have time to mess with commitment She's too focused on making it all the way to the top while protecting a secret that could blow the lid off her whole fraudulent life In the nation's capitol where the drinks are cold and so is the competition these three roomies are joining forces battling their way through a maze of Chubby Chaser web sites scam diet centers outrageous fantasies romantic entanglements power shopping and plus size fashion shows because when life throws you a few curves it's best to show them off Patrick Sanchez is a native Washingtonian having grown up in the Maryland suburbs of Washington D.C. He is a graduate of George Mason University in Fairfax Virginia and has been a professional writer for several years He currently lives in Arlington Virginia He is also the author of Girlfriends and is currently working on his next novel

**The Way It Is** James King, 2017-09-02 The long awaited biography of one of Canada's most intriguing and beguiling artists Do artists really thrive in big cities or do they just learn to imitate New York Is it a contradiction for an artist to be fiercely local and profoundly identified with international art movements If the brilliant colourist and regionalist pioneer Greg Curnoe stood for any one thing it was making trouble An intriguing rebel throughout his life he challenged ideas about what art should be and pushed it in radical new directions including away from Toronto a city he rejected while succeeding masterfully in its galleries His untimely death in 1992 cut short a career of constant reinvention This first biography of Curnoe recaptures in vivid detail the public and personal life of an iconoclast who was called a walking autobiography as his work seemed to document his endless struggle against many of the core tenets of the art of his time An anti establishment firebrand and a fierce opponent of American dominance in Canadian culture Curnoe in his conceptual practice constructed a
