The Winnowing Ann R.T. Murphy,2018-05-04 From all outward appearances Mila Lohman had it all Well educated a successful husband two beautiful daughters successfully on their own and a home in an upscale part of the city She had the good life Paul Lohman was restless Always looking forward to new vistas his sudden announcement that he d left his government position and joined the CIA was the first of many stunning blows to the marriage Mila was dumbfounded and hurt Thus began Paul s journey through numerous failed business starts that ate through their savings and caused great strain on the marriage Mila worked long hard hours while Paul grew more disinterested and restless by the minute But once again Paul had a plan This time it was the big one For Paul this time was different This time he was going to show them all He was going to walk away with more money than he had ever dreamed of What happened next was a chain of events that no one could have predicted A spellbinding tale of horrific tragedy intrigue and a rare love story you won t forget

**The Parables in Q** Dieter Roth, 2018-05-17 Few New Testament topics have been discussed as often and as intensely as Q the hypothesized second major source alongside the gospel of Mark for the gospels of Matthew and Luke and the parables And yet no monograph to date has been devoted to considering the parables in Q In addition to filling this gap in New Testament scholarship Dieter T Roth addresses the need to move scholarship on both Q and the parables forward along methodological and interpretive lines Roth considers Q not as a text behind Matthew and Luke that needs to be reconstructed but rather as an intertext between Matthew and Luke that offered plots characters and images in parables that were taken up by Matthew and Luke and utilized in their own respective texts In addition Roth draws on recent parables research in his examination of the 27 parables in Q two spoken by John the Baptist one by the Centurion and 24 by Jesus in order to consider their purpose and function in this early Christian text The Century Dictionary and Cyclopedia ,1913
