The Water Witch Or the Skimmer of the Seas a Tale (Classic Reprint) J. Fenimore Cooper,2017-11-23 Excerpt from *The Water Witch or the Skimmer of the Seas a Tale* The facts of this country are all so recent and so familiar that every innovation on them by means of the imagination is coldly received if it be not absolutely frowned upon Perhaps it would have been safer to have written a work of this character without a reference to any particular locality The few local allusions that are introduced are not essential to the plot and might have been dispensed with without lessening the interest of the tale Nevertheless this is probably the most imaginative book ever written by the author Its fault is in blending too much of the real with the purely ideal Half way measures will not do in matters of this sort and it is always safer to preserve the identity of a book by a fixed and determinate character than to make the effort to steer between the true and the false About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such

historical works **The Water-Witch** James Fenimore Cooper,2019-08-08 This is a reproduction of the original artefact
Generally these books are created from careful scans of the original This allows us to preserve the book accurately and
present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain
imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy

The Water-Witch ... New Edition. James Fenimore Cooper,1888 **Water Witch** Connie Willis,Cynthia
Felice,2013-02-25 Mahali s rulers for generations were the water witches who could feel the ebb and flow of precious water
in their very bones Then there was a coup and control of Mahali s water passed to an impersonal computer network It was
Deza s father who hit upon the scheme Dressing his daughter in ceremonial garb he passed her off as the last surviving
member of the royal house With tricks and illusions she and her father moved toward the centres of power But it s the nature
of a con artist to go too far **The water-witch** James Fenimore Cooper,1906 *The Water Witch* James Fenimore
