## **Word Fugitives:**

**Word Fugitives** Barbara Wallraff, 2009-10-13 A clever compendium of newly minted words for everyday use based on the popular column in *The Atlantic* How many times have you searched for a word that means just what you want to express yet failed to find anything suitable Most of us it turns out lead lives rife with experiences people and things that have no names *Word Fugitives* comes to the rescue supplying hundreds of inspired words coined or redefined to meet these everyday needs For instance wouldn't it be handy to have a word for the momentary confusion people experience when they hear a cell phone ringing and wonder whether it's theirs How about fauxcellarm phonundrum or pandephonium Need a word for adult offspring Try unchildren or offsprung A word for the irrational fear that no one will show up to your party That might be guestlessness empty fest syndrome or fete alism Inspired by Barbara Wallraff's popular column in *The Atlantic Monthly* this volume is brimming with irresistible diversions and pop quizzes illuminated by contributions and commentary from authors linguists and leading language authorities and enlivened by pleas for help from people whose words have yet to be found

**Word Fugitives** Barbara Wallraff, 2006-02-28 Despite the many thousands of dictionary words at our disposal our language can be dismayingly inadequate How many times have you searched for a word that means just what you want it to but failed to find anything suitable anywhere Most of us it turns out lead lives rife with experiences people and things that have no names At least they lacked names until now *Word Fugitives* comes to the rescue supplying hundreds of inspired words coined or redefined to meet everyday needs For instance wouldn't it be handy to have a word for the momentary confusion people experience when they hear a cell phone ringing and wonder whether it's theirs How about fauxcellarm phonundrum or pandephonium Or what about a word for offspring who are adults Try unchildren or offsprung Or a word for the irrational fear when you're throwing a party that no one will show up That might be guestlessness empty fest syndrome or fete alism This mind and vocabulary expanding book grew out way out of Barbara Wallraff's popular column in *The Atlantic Monthly* Brimming with irresistible diversions and pop quizzes illuminated by contributions and commentary from authors linguists and leading language authorities and enlivened by pleas for help from people whose words have yet to be found *Word Fugitives* will captivate and inspire anyone who ever struggles to describe the world that he or she or they or thon thon see page 141 lives in *Word Spy* Paul McFedries, 2004-02-17 Language wears many hats but its most important job is to help us name or describe what's in the world Words define us our actions even our existence And just when you think that you have all the words you need you discover new ones hear new uses for old ones or see them mutate right before your eyes a neologism is born Those neologisms are actually one of the best ways of keeping tabs on the way our world and culture are changing One of the people who's been keeping tabs is Paul McFedries the president of Logophilia Limited logophilia is Greek for the love of words His scorecard is *Word Spy* a daily newsletter that has been reporting from the neological frontier since 1998 and that has more than 100 000 visitors a month and more than 12 million page views In *Word*

Spy McFedries demonstrates how new words both reflect and illuminate not only the subcultures that coin them but also the larger culture in which these groups exist Neologisms give us insight into the way things are even as they act as linguistic harbingers of what's to come Each chapter of Word Spy is a cultural snapshot a slice of the zeitgeist that focuses on a specific idea or sociological phenomenon with an emphasis on the words and phrases that it has generated These snapshots cover various aspects of modern life including relationships business technology war aging multiculturalism and even fast food all the while introducing us to hybrid words If your kids can't seem to get away from their computers they may be addicted to fritterware time wasting game software If you're a new mother with a passion for petitioning you may be a lactivist breast feeding activist And if you keep finding yourself staying way later at the office than you ever imagined you may be suffering from presenteeism Word Spy is an exciting and informative travelogue through the evolving landscape of our language and consequently the cultures and subcultures that continually mold and shape not just the language but all of us who speak it

*Word Court* Barbara Wallraff, 2012-09-24 The witty and accessible bestseller by the Atlantic Monthly editor who rules on linguistic disputes San Francisco Chronicle Atlantic Monthly senior editor Barbara Wallraff first began answering grammar questions on AOL in the 1990s and the site's success soon morphed into a regular magazine feature In Word Court Wallraff moves beyond her column to preside over common and uncommon cases establishing rules for such issues as turns of phrase slang name usage punctuation and newly coined vocabulary With true wit she deliberates and decides on the right path for lovers of language ranging from classic questions is a historical or an historical correct to awkward issues How long does someone have to be dead before we should all stop calling her the late The result is a warmly humorous reassuring and brilliantly perceptive tour of how and why we speak the way we do A logophile's delight San Diego Union Tribune Her approach to language is a beguiling mix of charm and research USA Today
