

Workhouse Children

Karin Nielsen-Saines

Workhouse Children:

Workhouse Children Frank Crompton,1997 This book investigates the treatment of children in the workhouses in the period 1780 1871 It examines the way in which children were treated educated and trained by whom they were cared for and the outcome of their treatment

The Workhouse Simon Fowler,2014-09-11 A poignant account of the reality behind these famous Victorian institutions where the poor resided The Independent During the nineteenth century the workhouse cast a shadow over the lives of the English poor The destitute and the desperate sought refuge within its forbidding walls And it was an ever present threat if poor families failed to look after themselves properly In this fully updated and revised edition of his bestselling book Simon Fowler takes a fresh look at the institution that most of us are familiar with only from Dickens novels or films and the people who sought help from it He looks at how the system of the Poor Law of which the workhouse was a key part was organized and the men and women who ran the workhouses or were employed to care for the inmates But above all this is the moving story of the tens of thousands of children men women and the elderly who were forced to endure grim conditions to survive in an unfeeling world Draws powerfully on letters from The National Archives brings out the horror but it is fair minded to those struggling to be humane within an inhumane system The Independent A good introduction The Guardian

Children Under the Poor Law William Chance,1897

Children's Homes Peter Higginbotham,2017-07-30 What image does the word orphanage conjure up in your mind A sunny scene of carefree children at play in the grounds of a large ivy clad house Or a forbidding grey edifice whose cowering inmates were ruled over with a rod of iron by a stern starched matron In Children s Homes Peter Higginbotham explores the history of the institutions in Britain that were used as a substitute for childrens natural homes From the Tudor times to the present day this fascinating book answers questions such as Who founded and ran all these institutions Who paid for them Where have they all gone And what was life like for their inmates Illustrated throughout Children s Homes provides an essential previously overlooked account of the history of these British institutions
