EBOOK: Teaching Creative Writing in the Primary School: Delight, Entice, Inspire! Julie MacLusky,Robyn Cox,2011-09-16 Over the last 15 years the Primary National Strategy and the standards driven curriculum in teacher education have demonstrably improved the primary education of children in the UK Yet there has been a growing awareness that creativity has been neglected To address this a range of initiatives have been launched to

offer support for creativity in the primary curriculum This book will provide teachers with a set of teaching strategies to provide children with a tool kit of creative skills This book suggests that a child who might dislike a lesson on the correct use of grammar will become excited by a lesson that involves using his or her own talents and experiences to create a story Throughout the process of composing the story the child will attend to aspects of grammar in order to share their work with others Results from the classroom research conducted using the exercises in this book suggest that the book has the power to enable teachers to engage pupils in writing lessons who are often uninterested in classroom writing lessons The book also includes 20 creative writing templates for classroom activities A variety of exercises to help develop creative writing skills and build pupil confidence Detailed curriculum links Teaching Creative Writing in the Primary School is essential reading for all primary school teachers

Welcome to Writing Workshop Stacey Shubitz, Lynne R. Dorfman, 2019 Stacey Shubitz and Lynne Dorfman welcome you to experience the writing workshop for the first time or in a new light with Welcome to Writing Workshop Engaging Today's Students with a Model That Works Through strategic routines, tips, resources, and short focused video clips, teachers can create the sights and sounds of a thriving writing workshop where both students and teachers are working authors. Students spend most of their time writing, not just learning about it. Student choice is encouraged to help create engaged writers, not compliant ones. Students are part of the formative assessment process. Students will look forward to writing time, not dread it. From explanations of writing process and writing traits to small group strategy lessons and mini lessons, this book will provide the know-how to feel confident and comfortable in the teaching of writers.

Writing Is Like Real Talk! Alison Black, Jane Miller, 2013-04-01 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book. Here's valuable help for improving students' writing through a sound, illustrative combination of research-based authentic writing samples and positive coaching conversations. A guide, an incentive, and a model for success, this resource uses real classroom writing and pedagogical elements that provide specific context, research connections, teacher talk, and most importantly, students' writing examples to help teachers teach writing to preschool through grade 6 students. Writing Is Like Real Talk encourages teachers to reflect on how they teach writing and to use what they learn from students' writing to inform their instruction. In addition to the outstanding pedagogical aids, each chapter includes authentic writing samples and coaching conversations specific to students' needs. Armed with these classroom-based scenarios, instructors can enhance the development of teacher talk that acknowledges students as writers, facilitates students' meaning-making, and enables students to move toward writer consciousness.

Teaching Writing Gerald Camp, 1983

The Online Writing Classroom Susan Marie Harrington, Rebecca Rickly, Michael Day, 2000 This book is designed for writing teachers who teach in online environments, primarily networked computer labs and the Internet, and for writing teachers who would like to teach in such spaces. All the contributors write from their own teaching, research, or administrative experience, and all tell their stories in a rich theoretical context that will allow readers to see the relationship between theory, context, and practice. The chapters serve as descriptive guides to new teaching practices to help the reader find ways to use online activities to further their own pedagogical goals within their own specific contexts.
