Sleepy Me:

Hidden Blood W. C. Tuttle, 2023-04-06 *Hidden Blood* is a Western novel written by W C Tuttle and published in 1947. The story is set in the American West during the early 20th century and follows the adventures of a young cowboy named Bob Stone who finds himself caught up in a dangerous game of revenge and deceit. The novel begins with Bob Stone returning to his hometown after a long absence only to discover that his father has been murdered and his family's ranch has been taken over by a ruthless gang of outlaws. Determined to seek justice for his father and reclaim his family's land, Bob sets out on a perilous journey across the West, facing a range of dangers and obstacles along the way. As he travels deeper into enemy territory, Bob must navigate a complex web of deceit and betrayal and confront a series of dangerous foes, including corrupt lawmen, hired gunmen, and a powerful land baron with a personal vendetta against him. Along the way, he must also confront his own doubts and fears and find the strength to stand up for what he believes in. Throughout the novel, Tuttle explores a range of themes, including the nature of justice and revenge, the power of greed and ambition, and the importance of personal integrity and moral courage. He also offers a vivid and highly detailed portrait of life in the American West during the early 20th century, with all its dangers, hardships, and romance. *Hidden Blood* is a classic work of Western literature that has been widely praised for its engaging characters, vivid descriptions, and exciting plot. It is a thrilling and action-packed story of adventure, danger, and heroism, and remains a beloved classic of the genre. Sleepy Stories Mario

Levrero, 2021-07-06 A buoyant account of the nightly tug of war between a sleepy father and his son, and the richly imaginative sleepy stories they create. Each story told in *Sleepy Stories* drifts deeper into a beguiling dream world, telling of an elastic gentleman who stretches his body across town to effortlessly slip into bed, or of another sleepy young man who curls inside an upside-down umbrella to take a snooze. In Diego Bianchi's magical universe, the waking world is made small: a French press and a red top hat shrink before our eyes, while the dream world, Levrero and his son Nicol's, build together a land of sly frogs, giant apes, and smiling squids waltzes across the page. On the last of Bianchi's whimsical illustrations, Nicol holds the book over his father's nodding head and says, "Another. This is a book to giggle with and curl up with to take on every sleepy adventure." **A Little Peace of Mind** Nicola Bird, 2019-05-07 Do you feel like anxiety is making your life smaller? Are you always worried about the next panic attack? Or are you so stressed that you can't remember when you last felt peaceful and happy? What if there was a simple solution that meant you could stop coping and start living? For more than 20 years, Nicola Bird experienced anxiety and panic attacks, sometimes so severely she couldn't leave the house. She tried everything, including medication, psychiatric counselling, yoga, and NLP. Then she stumbled upon a completely different way of understanding the human mind that changed her relationship with anxiety forever. In *A Little Peace of Mind*, Nicola opens up about her own experiences and shares simple ideas to help you realise your own innate mental health and wellbeing. At the heart of this understanding, you'll discover the peace of mind that has been eluding you all this time. **McClure's**
