## **Watergate Amendment:**

**Constitutional Amendments, 1789 to the Present** Kris E. Palmer, 2000 Examines all of the amendments that have become part of the U S Constitution discussing the political and social forces and individuals that contributed to each amendment and considering their influence once passed and explores the failed amendments including six passed by Congress but rejected by the states The Nixon Defense Deluxe John W. Dean, 2014-07-29 Based on Nixon's overlooked recordings New York Times bestselling author John W Dean connects the dots between what we've come to believe about Watergate and what actually happened This deluxe edition of The Nixon Defense includes 30 select recordings and transcriptions of secretly recorded conversations between Richard Nixon and his aides in the months after the Watergate break in including the three smoking gun conversations of June 23 1972 Many of these tapes have never been transcribed giving us an unprecedented view of the origins of the president's Watergate defense and the workings of the Nixon White House Watergate forever changed American politics and in light of the revelations about the NSA's widespread surveillance program the scandal has taken on new significance Yet remarkably four decades after Nixon was forced to resign no one has told the full story of his involvement in Watergate In The Nixon Defense former White House Counsel John W Dean one of the last major surviving figures of Watergate draws on his own transcripts of almost a thousand conversations a wealth of Nixon's secretly recorded information and more than 150 000 pages of documents in the National Archives and the Nixon Library to provide the definitive answer to the question What did President Nixon know and when did he know it Through narrative and contemporaneous dialogue Dean connects dots that have never been connected including revealing how and why the Watergate break in occurred what was on the mysterious 18 1 2 minute gap in Nixon's recorded conversations and more In what will stand as the most authoritative account of one of America's worst political scandals The Nixon Defense shows how the disastrous mistakes of Watergate could have been avoided and offers a cautionary tale for our own time **Legislative**
